Mails arrive and depart at the Towanda Postoffice follows.

There is a regular boom in the "Sterling" Organ business. At least we judge so from the fact that Mr. MANVILLE is kept busy delivering them.

We hear of a disreputable row in one of the barber-shops of town last evening, in which pistols, spittoons, &c., were brought into requisition, and at least one colored gentleman went home with a sore head. Such things ought not to be.

We noticed, some weeks since, the accidental poisoning of Mr. FRED BARNEY'S hand, while shoeing a horse. About one month previous to the accident he had taken and accidental policy with W. G. TRACY, and Saturday received payment in full for the time he was unable to work.

The First National Bank has \$421,097.53 in deposits, and its discounts amount to a little more, \$426, 202.95. The institution also has \$145,550.00 in bonds; legal tender notes, coin, &c., \$30,545.88. Due from banks and U. S. Treasurer, \$101,483.11. This is a showing that financial men would call good.

Charity covereth a multitude of sins, but poverty disclose smore. Poor clothes blind the eyes of many, who, being faultless of the sin of poverty, and with clean hearts in regard to everthing forbidden in law, both divine and human, cannot look upon the poor and erring with any degree of allowance. It is much more pleasant for them to "pass by on the other side."

WARD THOMPSON, CHRALEY GORMAN, FRANK CRONIN, and FRANK CHILSON broke into the office of N. TIDD, Esq., Saturday noon, while Mr. T. was at dinner, and stole several dollars in money. They were arrested by officer BURNS and locked in jail for a hearing. They are all of them incorrigible, and it would be a blessing to them to send them to the House of Refuge, where they will be subjected to strict discipline.

The Methodist says there is one inconvenience of generosity, which sensible people ought to do something to remove. If a business man makes a liberal donation, he is straitway set upon by everybody for other gifts. This is the most ingenious process for curing men of generosity that could be devised; the punishment for a noble act is so severe that the average man will not repeat it. After such an experience, with a hundred begging applications per day, he will naturally seek to save his time and feelings by getting it understood that he is not a liberal person.

The Helping Hand Society of Christ Church announce a series of lectures on interesting subjects, to be given in the Church during the present month. The first will be by the Rev. G. H. MCKNIGHT, D. D., of Elmira, on "The Wonders of the Great Pyramid," and will be illustrated by diagrams. It will be delivered on Friday evening of this week, 4th inst., at 7:30. The second will be given on Friday evening, 11th inst., by the Rev. FRANCIS D. HOSKINS, who is well known in Towanda—a former Rector of the Church—subject: "Modern Atheism." All are welcome. An

offering will be received to pay the expenses and to increase the funds of the Society.

Rosenfield has not given up the general clothing business, but has in addition to his immense stock of Collars and Cuffs, just opened a fine assortment of spring clothing, hats and caps.

Personal.

F. E. BARBER is V. D., of McPherson, Kansas, Lodge, K. of H.

Paymaster BUCK'S son has been seriously l with measles, but is better.

SEELEY has a large force of men at work on his new barn, and is just "pushing things."

C. N. MOREY, late Deputy Prothonotary, was in town to-day.

ADAM INNIS, Esq., of Granville, has purchased the old Fick farm, at Roaring Branch, Lycoming county, where he proposes to build a tannery immediately. In connection with his sons he already has a tannery at Bodine's, also one at Grover and one at Grandille.

Mr. FRANK P. TUPPER, of Towanda, the accomplished stenographer, attending court, has created himself into somewhat of a "curiosity" to the people, who are not acquainted with the system of short hand writing, as this is the first case he has been on since his appointment in the district, which is composed of Bradford, Susquhanna, Wyoming, Carbon and Sullivan counties. Mr. TUPPER is at the head of his profession, having followed it since the age of sixteen years. He was chief Stenographer for three years in the State Senate, which position he filled with credit to himself and people of the State. Upon his retirement from his arduous duties the members of the Senate in appreciation of his faithfulness presented him with numerous gifts as individuals as well as a body. Exasperated calls we dislike, hence we will close with the remark, that FRANK is found to be a gentleman by all who come in contact with him.—Laporte Democrat.

On the 21st ult. the bar of Lycoming county held their tenth annual banquet at the Herdie House. A number of distinguished guests from abroad were present. Among the letters of regret read on the occasion were the following:

CONTINENTAL HOTEL, Phila., Feb. 16. GENTLEMEN: Your kind favor inviting me to tenth annual dinner of the Lycoming county bar, on the 21st inst., is received. I very much regret that official duties prevent my acceptance. With thanks to the association which you represent, and regards to yourselves personally, I remain, Yours Truly, ULYSSES MERCUR.

TOWANDA, February 20. HENRY C. PARSONS, Esq., et al., Committee: If I were simply to say, "Compliments and regrets" for Saturday afternoon, it would be too formal and cold to express my appreciation of, and regard for the Lycoming bar. I remember your uniform kindness and consideration, and desire to intimate to you that you have a warm place near my heart. Your bar is celebrated throughout the state, not only for its ability but for the social element that so largely enters into its composition, and also for the kind feeling of the members toward each other. Am indeed sorry that I cannot attend your dinner on Saturday, and eat what the law (lex) provides, as well as drink of what the bar provides, and enter into the discussion of all questions which have for their object the amelioration of mankind, and the happiness of the members of the Lycoming bar. Accept thanks and believe me to be very truly yours, P. D. MORROW.

GREEN'S LANDING, March 1, 1880. Meetings continue to be held here with good results, under the care of Rev. Mr. WATROUS of Athens, several conversions of middle aged men are reported. Extensive repairs are being made along the river bank to protect Morley's Mill from the inroads of the current. CLARENCE WATKINS is on crutches from a wound in the foot made by an ax. He will doubtless be around in a few weeks all right. Robbins, blue birds and the budding of trees betoken Spring, notwithstanding Prof. VENNOR. The types changed BURGAN to RYAN in our Ulster article. If you happen to be in our ancient town ask for EDISON, and you will be shown a prominent Insurance Agent whose new light, or lamp, casts its beams upon a rubicund lawyer, celebrated in divorce cases. We rejoice to hear that said town is introducing electric lights in place of gas. Mr. FRANK HULL, of Athens, goes hence to-day, taking ARON STONE and AUST. KINNER with him to Kansas, the latter goes to try the climate for a lung disease—hope he will be benefited. ARON will be missed around the depot at Waverly, having run an express line from that point for years past. FRANK has been home for a visit. We hear of some gardening being done, sowing peas, etc. WILL.
