E. B. Byington, of Buffalo, has been appointed General Passenger Agent of the Lehigh Valley Railroad.

The National Insurance Company of Montreal, have resolved to wind up. It has a credit balance of \$41,000.

The Treasury Department, yesterday purchased 570,000 ounces of silver for the San Francisco, New Orleans and Philadelphia Mints.

Ex-Governor Garcelon has informed the Hale Investigating Committee that he will be present to-day to testify in obedience to the summons of that committee.

Dennis Kearney was arrested at his residence in San Francisco yesterday morning on the charge of misdemeanor based upon his remarks at a meeting held on Tuesday. He was released on bail.

The Postmaster General has instructed the postmaster of New York not to pay any money orders to J. E. Narcote and Company, Church street, charged with conducting a fraudulent scheme.

The passenger steamers City of Troy of the Citizens' Line, and the Drew, of the Peoples' Line, made the first trip from New York last night; the former proceeding to Troy, and the latter stopping at Albany.

Mr. E. B. Washburne has gone to the Hot Springs of Arkansas with a party of friends to spend a month or two. It is said that he will probably meet General Grant before his return.

Clarence Atwell was arraigned in New York yesterday for systematic swindling by false pretences. He was formerly a wealthy tea broker, and ruined by dissipation. He was once in the tea business at Canandaigua.

The Hall Safe and Lock Company, of Cincinnati, sue to recover one hundred and fifty thousand dollars damages from the Yale Lock Company, in consequence of certain publications concerning the patents on time locks.

Great excitement exists in Harrisburg in consequence of the application for pardon made by Kemble, Rumberger, Salter, Crawford and Petroff. Sentence will not be pronounced until the 29th inst., and the early application for pardon is considered indecent haste.

Parnell took his departure for Ireland on Thursday. He was escorted to the steamer by the 67th regiment, and representatives of the various Irish organizations. Several hundred friends accompanied him down the bay. There was much enthusiasm.

Ex-Secretary McCulloch intends to give up his New-York house in May, and to return with his family to their home near Washington. Mr. McCulloch is quoted as saying that he prefers Washington to any other city: and his household goods are to be set up there permanently.

Judge Harlan, of the Supreme Court of the United States, issued a supplemental order yesterday, enjoining the Wabash R. R. and American Union from doing the public telegraph business offered at railway stations, and from doing anything in anywise conflicting with the existing contracts between the railroad and the Western Union Telegraph Company. A full

hearing on the merits will be had on the 10th of May.

The meeting of the Ohio Republican State Committee showed a sentiment of unexpected strength for Mr. Blaine, the friends of the Secretary Sherman being outvoted in his own State. It is thought possible, however, that the supporters of Mr. Blaine will make no contest in the Convention in the hope of winning the vote of the entire delegation at Chicago should Secretary Sherman be withdrawn during the balloting.

By a compilation made in the Interior Department, it is found that the Government gets by the agreement with the Ute Indians 11,000,000 acres of land for about 16 cents per acre. This price includes the estimated cost of removal, pay for the Ute improvement surveys and the fund to be set aside for the annual annuity of the Utes.

The impression that the Utes are all to leave Colorado is erroneous. Only about one thousand will leave the State, while 3,000 will remain upon farms owned by them in severalty.

Only a small fraction of the land thus secured to the Government is agricultural land, the greater portion being fit only for pasturage. There is, however, supposed to be an immense store of mineral wealth in the reservation.
