Decisions in the following Bradford county cases were announced by the Supreme Court yesterday: Donovan vs. Driscoll, judgment reversed. In re Towanda bridge, affirmed. Pollock vs. Chapman, affirmed. Heeman vs. Towanda Coal Co., affirmed. Vanderpool's appeal, affirmed.

THIS didn't happen in Towanda:

A famous judge came late to court  
One day in busy season;  
Whereat his clerk, in great surprise,  
Inquired of him the reason,  
"A child was born," his Honor said,  
"And I'm the happy sire."  
"An infant judge?" "Oh, no," said he,  
"As yet he's but a crier."

The bridge is free! The Supreme Court has affirmed the decisions of Judges ELWELL and MORROW, in the matter of the taking of the river bridge at this place as a free bridge, which ends the controversy so far as possession is concerned, and the bridge will remain free. As both the county and the Company have appealed from the report of viewers as to the amount to be paid for the bridge, the price will have to be fixed by a court and jury before the money will be paid.

Mrs. MARGARET HARTLEY, who was well known in this place, died at her residence in Waverly, N. Y., Sunday morning last, aged 75 years and 9 months. Deceased was the daughter of WILLIAM and ELIZABETH BURTON who lived near the Episcopal Church, and died some twenty-five years ago. Her remains will be brought to this place and be buried beside her parents. The funeral will take place from Christ Church at 3 o'clock this afternoon.

A. P. LAPLANT, a tyro in this office, and who is one of the best shots in this country, has invented an improved "cartridge loader" for breech-loading shot-guns. Experiments with a model which the inventor has constructed have proved highly satisfactory, and the machine is pronounced a success by sporting men who understand its utility. It will greatly expediate and cheapen the work of loading shells. Ad already sees "millions in it. We hope his most sanguine expectations may be more than realized. A patent has been applied for.

## Personal.

Judge MORROW is holding argument court this week.

GEO. H. WEBB has been appointed Postmaster of Alba. The office has been in his store and he has been the deputy for several years.

Miss BESSIE BEARDSLEE, of Elmira, is visiting Miss JENNIE SMITH, in this place.

Judge MCCOLLUM, of Montrose, is registered at the Ward House.

E. T. FOX, left for the west this morning on quite an extended business tour, in the interest of the Eureka Mower Co., of which he is the President. He will first visit St. Paul, Minn., where the Eureka is now being manufactured on an extensive scale under a contract with Mr. FOX's Company. Miss FREDIE FOX accompanies her uncle as far as Joliet, Ill., where he mother resides.

F. H. WARRINER, JAMES MITCHELL, and R. B. SHERIDAN, of Canton, were in town yesterday. Mr. SHERIDAN paid this office a visit, and of course subscribed for the REVIEW.

The many warm and devoted friends of Mrs. LONG, nee Miss DEMING, are prepared to tender her a hearty welcome on her arrival in Towanda, which will be in the course of a few days.

MR. GEO. W. BIDLEMAN, of Tunkhannock, has been appointed to a clerkship in the office of State Treasurer Butler, at a salary of \$1200 per year. He is an intelligent and honest gentleman, and will doubtless be a faithful officer. He is the present chairman of the Republican county committee, and has long been an enthusiastic worker in the cause of Republicanism. Mr. Butler is, we believe, the first State officer who has recognized this county in making appointments, and his action is warmly commended by our people.—*Tunkhannock Republican*.

MESSRS. DANIEL WRIGHT, C. M. COON, BYRON COON and BURT BIDLEMAN left here Tuesday morning enroute for Colorado Springs and Leadville. They were joined by different parties at Mahopany, Wyalusing and Elmira, swelling the number to fifteen, all from this county.—*ib.*

There is now building in Newburg, on the Hudson, a steam pleasure yacht for Mr. Robert A. Packer of the Lehigh Valley railroad, which when completed will be the largest, fleetest and most elegant pleasure craft heretofore. The boat is to be 73 feet keel and as wide as it can be built and pass through the locks. Its engine is to be exceedingly powerful, and the contractors guarantee a speed of not less than fourteen knots an hour. The vessel throughout will be a model of elegance and comfort. The saloon will be arranged so as to afford accommodation for twelve guests night or day. The berths will be built after the fashion of those in use on sleeping cars and during the day can be folded up, leaving the interior of the yacht roomy and more attractive. We understand it is Mr. Packer's intention to keep his splendid yacht on Cayuga Lake most of the time, but it will be used in making his annual summer excursion to the St. Lawrence. The builders have agreed to have the yacht finished and afloat by the middle of May.—*Ithaca Journal*.

In the Athens Scribe of January 6, 1842, was the following:

"MARRIED.—In Geneva, Vermont, Mr. James Bee, to Miss Ann Flower."

"Well has the little busy Bee,  
Improved life's shining hour;  
He gathers honey, now, all day,  
From one sweet chosen flower;  
And from this hive, if Heaven please,  
He'll raise a swarm of little Bees."

I think I clipped that item from the Star, a humorous paper of Richmond, Virginia, edited by "Corporal Streeter." It was not claimed as original by him, so that its origin is earlier than 1842. I recently read that it was printed by Brick Pomeroy in 1852, as it has been by others, but its author to me is unknown. By the way, soon after I commenced the Scribe, in 1841, the western part of your village was called Vilemont, with Brigham's new house as the capital; Factoryville and Milltown were pleasant hamlets; Waverly and Sayre had not then been named—were unknown as such.

O. N. WORDEN.

March 13, 1880.  
The above note was sent to the Waverly Advocate.
