There are about seventy-five regular boarders at the Ward House.

The net proceeds of the school entertainment last evening were about \$125.

WEATHER INDICATIONS FOR TO-DAY.—Warmer, cloudy rainy weather. Southeasterly winds. Falling barometer.

"Did any of them get away?" was the inquiry of JOHN BEEMAN, as he saw several hundred scholars of the graded school marching through Main street yesterday.

Mr. FITCH, the confectioner ordered on Wednesday afternoon an invoice of fruit from New York by fast freight, and the goods reached him Thursday afternoon.

We have not the time nor space this morning to give such a notice of the school exhibition as the entertainment deserves. It was one of the most enjoyable affairs of the season, and a crowded house gave abundant evidence of their appreciation of the efforts of the students.

A barn owned by D. O. HOLLON and J. J. WEBB, in Asylum township, was burned yesterday. The building contained a quantity of hay. No insurance. It is supposed a lad named JOHNSON fired the building, as he was seen to run away from it about the time the flames were discovered.

The members of Osceola Grange gracefully submitted to an interruption of routine business last evening to attend not exactly a "Macedonian cry," but a call from the "HORTONS" to repair to the ever hospitable mansion of Uncle ELIJAH, and help them dispose of a large kettle of warm sugar. No gate-keeper was stationed at the door, nor any pass-word required, for like good grangers, the "HORTONS" of North Towanda are noted for their generous hospitality. A large number were present to enjoy the rich treat and the unfeigned welcome always extended to those who have the good fortune to be the guests of the "HORTONS."

Religious services will be held to-morrow as follows:

Presbyterian Church, preaching at 10:30 a. m. and 7:00 p. m. Sunday school at 12, m. Christ Church, (Episcopal), service and sermon, 10:30 a. m., and 7, p. m. Sunday School, 12, m.

M. E. Church, preaching at 10:30 a. m., and 7 o'clock p. m. Sunday School at 12 m. Baptist church, preaching at 10:30 a. m., and 7:30 p. m.

SS. Peter and Paul, mass at 8 and 10:30 a. m., Vespers at 7:30 p. m., Sunday School 2:30 p. m.

Church of Messiah, (Universalist.) Rev. Wm. Taylor, pastor. Services at 10:30 a. m. Reception of members—baptism and communion at 7:30 a. m. Subject "Our relation one to another." All welcome.

A. M. E. Zion, Prayer and Class meetings 10:30 a. m. Sunday School 2 p. m. Service 7:30 p. m.

P. E. Mission, at Nail Works School House, Sunday School at 3 p. m. Service at 6:30.

The Brethren, service at 10 1-2 A. M. Sunday School at 3 P. M. Rooms over Madill's Crockery Store.

According to a census taken by Col. A. McKEAN, the population of Towanda is a little less than 3700 at present, but from indications and rumors there is likely to be quite an increase before the government enumerator "numbers the people" in June.

## Personal.

Prof. PITCHER has again been elected principal of the Ulster Graded School.

Hon. G. W. KINNEY, whose sudden attack of illness we noticed a few days since, we regret to learn, lies in a precarious condition at his home in Sheshequin, with but slight hope of recovery.

Mrs. MADDEN goes to New York to-day to purchase a new stock of millinery goods.

C. A. STOWELL, of Wyalusing, made us a call yesterday. CAL is always a welcome visitor.

D. W. SCOTT, D. D. G. M., is engaged in installing the officers of the several lodges of Odd Fellows in this county. He will be in Barclay this evening.

Mrs. A. E. MENARDI, who has been living at Nortonville, Mich., for several years, will return to Towanda this spring, and occupy her residence just north of the Episcopal church.

SAM HOUSTON, one of the best teachers in the county, and an officer of Osceola Grange has followed the example of the illustrious statesman whose name he bears, and gone west. He is a young gentleman of excellent parts and will make his mark in his new home. He has the best wishes of a host of friends for all the success he can aspire to in whatever direction laudable ambition may lead him.

Dr. H. A. BARTLETT, of Sugar Run, has been quite sick for several days. He is improving now, however, to the great delight of his numerous friends and especially those who need his professional services. His brother GRAHAM has been nursing him for the past week.

R. THURBER, who has been confined to his house for some weeks past with a severe attack of rheumatism, supplemented by a touch of the diphtheria, is able to appear on the street again, although not strong enough to attend to business.

Mr. BREWER, of the meat market, will go to Long Valley and establish a market as soon as business opens there.

GEORGE E. FOX and wife took their departure for their future home near Easton, Maryland, to-day. Mr. Fox owns a farm there, and as both his daughters reside in the neighborhood, he finds the attraction in that direction stronger than the pleasant associations and ties which have resulted from a residence of about forty years in Towanda, and where he and his family are universally esteemed and respected. We hope they may be prospered in "basket and store," and always enjoy the high social position to which their worth entitles them.

GALEN OWEN has accepted a position in the engineer corps of the L. V. R.R., and will enter upon his new duties Monday morning. GET, we have no doubt will make an excellent engineer, and become a permanent employee of the Company.

Lawyer WILT has removed his office to the Means block, over KENT's store.

The Athens Gazette says FRANK MORLEY is mentioned by his friends in connection with the legislature. If all FRANK's friends attend the primaries and vote for him, he will be sure to win.

We copy the following notice from a Topeka paper of the 20th of March. Mr. LACEY was formerly employed as an operator on the Pa & N. Y. road, and is a brother of ARTHUR LACEY of this place:

Fred C. Lacey, for some time operator at the U. P. depot, North Topeka was last evening at 8 o'clock united in marriage with Miss Etta Stansfield, at the residence of her parents, Mr. and Mrs. J. S. Stansfield, on Jackson street, by Rev. G. W. Henning, Mr. Lacey is a young man that stands high in social circles, and has hosts of friends who wish him all the pleasures and none of the ills of life. The bride is one of North Topeka's most charming daughters. Handsome and talented, and possessing every attribute of a true lady, she makes a wife of which any husband may feel proud. A large number of invited guests were present, and partook of an elegant repast prepared by the bride's parents, and the affair is pronounced the most brilliant that has occurred in Topeka for years. The bride was dressed in an elegant light Japanese silk, cut en train, trimmed in old gold; a wreath of orange blossoms in her hair; white kid slippers, and looked very lovely indeed. The groom was dressed in a suit of plain black. A large number of handsome and appropriate presents were presented to the happy couple by relatives and friends.
