C. E. ANDRUS is now the proprietor of the saloon under CROSS' book store.

The Lehigh Valley will sell round trip tickets from Elmira to Washington, good for six days from March 1, for \$11.

A Waverly paper says J. P. KIRBY and J. O. Ward are negotiating for the purchase of the Tioga hotel in that village.

Wanted, a small, convenient house, near the business portion of the village. Apply at this office. Rent must be reasonable.

GEORGE ENNIS, the polite clerk at the Ward House, complains that the REVIEW is taken from the table in the office at that popular house before employes or guests have a chance to peruse it. The price of the REVIEW is so cheap that any one ought to be ashamed to purloin a copy.

What has become of the Mercury? We don't mean that naughty little spirit which has seemed to take so much delight in proving Prof VENNOR'S weather prognostications correct, but refer to our bright and sparkling little cotemporary on Chestnut st., which has failed to reach us of late.

An Irishman and two protestant divines were once journeying together in a stage coach, when in the course of a heated theological discussion, one of the dominies said, "Pat, if the devil should send one of his angels for one of us, which do you suppose he would take?" "O, me, of course," was the ready answer of Pat, "What makes you think so?" "O, because he's sure of you any time." This reminds us that purchasers are always certain to get the best groceries at JAMES MCCABE'S, headquarters "and don't you forget it."

KNIGHTS OF HONOR.—The fee for initiation in Cristal Lodge of this place is now five dollars. On and after March 7th next it is to be raised to ten dollars. Persons desiring to unite with this excellent organization, will do well to take advantage of the present low fee. Application for membership, and full information may be obtained from George Redge-way on Bridge Street, or from any member of the Lodge. The Lodge now has seventy-five members. Sick benefits \$3 per week. Death benefits \$2,000.

D. C. DEWITT, Esq., gives notice that on Tuesday afternoon next he will offer his celebrated bay gelding, "Tom Moore," at auction. Tom is one of the fleetest animals in all this section and as a family horse is invaluable, being perfectly gentle and true. A few years ago Mr. DEWITT refused \$5000 for him. The sale will take place on Main st., near the Ward House, at 2 o'clock, and we have no doubt the bidding will be spirited. Any person desiring to purchase a good roadster, that will not take the dust of any other steed on the road, will not soon meet with another so good opportunity for supplying himself.

Supplementary statement of the financial condition of the borough of Towanda on the 16th day of February, 1881:

Orders outstanding Apr. 1, 1880, \$4,030 08  
Orders issued to this date, 4,457 06

Total orders, \$8,487 14  
Orders redeemed during the time, 6,559 63

Total indebtedness, \$1,927 51

ASSETS  
Due on Dup. for '80, \$1,743 88  
Land returned, 293 53  
Switch rent, 20 00  
Cash in Treasury, 797 32  
\$2,864 73

Of the above indebtedness, \$1,000 is in one order, due Aug. 29, 1881, and the holder is not willing to have it redeemed until due.

In addition to the above assets, there is \$391 84 due from citizens for side walks put down by the Borough, not all collectible.

It will be seen by the foregoing statement, that notwithstanding the Borough tax was reduced one half in 1878, and only 12 mills assessed for 1880, the debt has been steadily reduced and the collectible assets are sufficient to pay the further necessary expenditures for the balance of the year, ending March 31st, 1881, leaving the Borough entirely out of debt. This happy state of things is the result of great care by the Council, in counting the cost of proposed new work, not absolutely necessary for the public good, and rigidly enforcing the collection of all taxes on exhibitions, peddlers, &c.

The tax of five mills assessed for the support of the Poor, for the year ending March 31, 1881, is sufficient and will cover all outstanding indebtedness, and should the commissioners be ready to take the charge on the 1st of April next, no further assessments of taxes by the borough for that purpose will be necessary.

The usual detailed statement of the receipts and expenditures for Borough and Poor purposes will be published at the proper time.

As frequent inquiry is made of the Borough Treasurers as to the public school debt, may be proper for me to add that the Borough government has no jurisdiction or control over the department of Public Schools.  
J. KINGSBURY, Treasurer.

Having sold my retail Furniture and Undertaking business, known as the Bridge Street Furniture Store to E. B. Pierce I would respectfully recommend those in need of goods in his line to call on him at the old stand.

I also wish to inform those indebted to me that it will be necessary to settle the accounts soon.  
N. P. HICKS.
