Assistant Superintendent GOODMAN was looking after the interests of the Railroad Company in court yesterday.

Mrs. J. W. GOODWIN is visiting at L. J. CULVER'S in Wysox. She, accompanied by Miss CULVER, honored this office with a call yesterday.

Our former young townsman, JAMES W. MERCUR, Esq., who took up his residence in the City of Brotherly Love sometime since and commenced the practice of law, has been successful not only in his legal pursuits, but in cupid's court as well, having won the heart and hand of an accomplished and estimable young lady of Philadelphia. Cards for the marriage ceremony, which takes place one week from to-day, are out. The bride elect is Miss DENIS, and the wedding will be a fashionable one. Mr. MERCUR has the hearty congratulations of his many friends in Towanda.

This community is soon to lose one of our most intelligent and lovely young ladies.—Cards are out announcing the nuptials of Miss JOSIE CULVER and Mr. PHILIP C. GORI, of Italy. The marriage will be celebrated at the residence of the bride's parents in Wysox, next Tuesday evening. We believe Mr. GORI is to take his young wife to his home on the other side the Atlantic.

Miss ETTIE ADAMS' school, near Athens having closed, she is home again.

Miss SUE A. MORGAN goes this morning to visit friends in Nichols, New York.

Dr. JAMES F. KINSLER, Grand President of the C. M. B. A., and JAMES CASEY, both of Bradford, were guests of Mr. JOHN SULLIVAN last Saturday.

B. S. BENTLY, jr., and THODE HILL, of Williamsport, are in attendance at court this week.

Hon. GEO. LANDON was in town yesterday and made a pleasant call on his friend W. H. CARNOCHAN, who is still an invalid confined to his room.

Hon. JOS. POWELL came home from Pittsburg Saturday evening quite ill with strong symptoms of pneumonia. Prompt medical treatment relieved him, and we are happy to state that he is much better now and hope all danger of protracted illness passed.

We announce with great pleasure that Mr. M. H. LANING appears to be very much improved in health, and we hope to see him around again soon in the enjoyment of his usual health.

Rev. C. H. WRIGHT has been called to Blossburg to attend the funeral of E. S. SCHOFIELD, one of the principal owners of the glass works of that place.

Rev. Dr. TAYLOR, pastor of the Universalist church, fell through a trap door at the Ward House yesterday and sustained some painful but fortunately not serious injuries.

Representative HILLIS was in town yesterday. He returns to Harrisburg this morning.

INDICATIONS.—Warmer, clear or partly cloudy.

Reserved seats for the Litta Concert have been reduced to 50 cents. Tickets for sale at Kirby's.

Mrs. INGHAM, the victim of blood poisoning, whose case has been mentioned in the REVIEW several times, died Sunday evening.

The second lecture of the Institute course will be delivered this evening by the Rev. J. S. BEERS. The subject will be "Lyceum Lectures and Lecturers." The lecture will begin at 7:30. The public are invited. No admission is charged. A walk to the Institute will be a good, healthy exercise.

A most interesting event, for the Catholic community, occurred on Saturday evening last, when a branch of the Catholic Mutual

Benefit Association was installed in the hall of the Knights of Pythias. The installation ceremonies were performed by Dr. JAS. F. KISLER of Bradford, Pa., who is the Grand President of this state, assisted by Mr. JAS. CASEY, also of Bradford, President of Branch No. 13. The ability of these gentlemen in exercising the functions of their high offices is of marked importance to the organization, and the impression they left, together with the zeal of the local President and Vice President, Mr. JOHN SULLIVAN and WM. FOYLE, Esq., should tend in a great measure to insure the success of the order. The order guarantees to the family of a deceased member \$2,000, on the same plan that some other mutual associations are formed.

After the business of the evening was concluded the gentlemen present adjourned to the hospitable home of JOHN SULLIVAN, on Lombard street, where a sumptuous repast was elegantly laid by his estimable wife. After the good things had been measurably disposed of, speeches were made by Dr. KINSLER, Mr. CASEY, Mr. FOYLE and J. C. BLUM, Esq., all expressing the wish and belief that the success of the C. M. B. A. was insured in Towanda.

On Friday evening next, February 25th., the Episcopal Mite Society will be held at the residence of M. C. MERCUR, Chestnut street. The public are cordially

Invited to partake
Of ice-cream and cake,
The very best make,
For which there is at stake

the ridiculously small sum of *twenty-five cts.*

As this is to be the last meeting of the Society for the season, it is hoped and expected that an amount sufficiently large to liquidate the remainder of the church debt, (about \$60), will be realized.

Members of the Church and congregation, if unable to attend, are requested to contribute.

The Agent for the LaBastie lamp chimneys gave this glass severe and interesting tests at our office to-day, by heating the chimney very hot and throwing cold water over them while hot, and also by driving nails with and giving them severe falls. This glass is made malleable by annealing similar to malleable cast iron. We recommend our readers who have been annoyed by the breakage of the ordinary chimneys to try these that will not break.
