Personal.

Rev. J. G. DuBois, an M. E. minister, at one time stationed in Troy and other places in this county, is dying of cancer in Canisteo, N. Y.

Dr. HARRIS is spending the interim between courts with his son-in-law Mr. WELLS, in Pottersville.

Hon. C. F. NICHOLS is at Topeka watching the moribund pangs of the Legislature.—*McPherson (Kan.) Republican.*

We see it stated that Hon. HUGH YOUNG, of Wellsboro, will likely be made Register of the Treasury, a position for which he is admirably fitted, and which he would fill with credit to himself and honor to the department.

GEO. H. SMITH, of the firm of SHORES & SMITH, Athens, is visiting his brother, Dr. P. J. SMITH, in this place, to-day, and will remain till to-morrow.

Rev. A. F. HARDING, formerly pastor of the M. E. Church at Rome, was married on the 3d inst. to Miss OLIVE R. COBB, of Stevensville. He is now stationed at Rush.

We are pleased to learn that Mr. L. J. CULVER, who has given no little attention to the cultivation of the amber cane, has been appointed by commissioner LEDUC to superintend the planting and cultivation of amber cane, and give instruction to such people throughout the country as may desire to engage in raising this profitable crop. The situation is a good one, and the duties will be faithfully attended to by Mr. CULVER. We understand the appointment was made at the suggestion of Col. PIOLLET, who is a warm friend of the commissioner.

GEO. W. HEATH and his son FRED have taken situations in the Sayre shops.

C. E. SCOTT is suffering from an attack of rheumatism.

Mrs. W. M. POST, mother of Mrs. D. R. LATHROP, has been alarmingly ill in Washington for some weeks. At last advices her death was hourly expected. Mrs. P. is a sister of the late C. L. WARD and of JAMES M. WARD.

Squire JOE BISHOP, of Sayre, was in town yesterday.

CHARLIE MORGAN, the Burlington blacksmith, and a capital good fellow, has come back to Towanda to live.

Mrs. W. T. DODSON, of Kingston, accompanied by her son, Master SCOTT, is visiting her parents, Mr. and Mrs. WM. SCOTT, on Third street.

Superintendent GOODMAN, of Sayre, has put his son Master CHARLIE in school at the Institute.

G. A. DAYTON has admitted Mr. M. W. ANGLE as a partner in his wool business. The young man has been in his employ for a number of years, and is not only thoroughly posted in the business, but is an honorable and faithful business man.

Col. MASON and E. A. THOMPSON have formed a law copartnership.

Mrs. JOHN JETER, an aged colored lady, of the Third ward, died last evening.

The next lecture of the Institute course will be given on *Monday evening next*, instead of Tuesday, as we intimated in a former number, by JAMES MACFARLANE, Esq. We have not yet learned the subject, but doubt not the lecture will be interesting and instructive. From Mr. MACFARLANE'S reputation as a geologist, if we were to guess at his subject, we should name something connected with this great study.

The regular monthly meeting of the Agricultural Society occurred yesterday afternoon. On account of the inclemency of the weather, the attendance was small and no business was transacted. The next meeting will be held Saturday afternoon, April 9, at 1 o'clock, in the Grand Jury room. One of the topics assigned by President PIOLLET for discussion

on that occasion is Plaster. As this is an interesting and important theme for farmers just at this season, there will undoubtedly be a large attendance.

DEATH OF MRS. PATTON.—Mrs. General WILLIAM PATTON died at her home on 2nd street at 7 o'clock yesterday morning, after a painful illness of one month.

Mrs. PATTON married for her second husband the late General PATTON about 40 years ago and had been a resident of this place ever since. She was a lady of far more than ordinary natural gifts, fine culture and remarkable intelligence. Her home was a pleasant resort especially for young people, in whom she always manifested peculiar interest. She was a lady of exceptional literary taste, and general information, not only in the current news and literature of the day, but ancient and modern history as well. She was thoroughly conversant with the French language, having spent four years in Paris superintending the education of her daughter. She was very clever as an artist and has left many exquisite pieces as witnesses of her genius in that direction. The paintings and drawings executed during the past few years are marvels of artistic skill and beauty.

Mrs. PATTON'S great industry and esthetic taste are evidenced in the vast number of useful and beautiful articles of her handiwork which she wrought for her friends.

The deceased leaves two children—Mrs. GOODWIN-LOWRY, of Wisconsin and Mr. R. GAI of Chicago—one sister, Mrs. TILESTON of New York, and a brother, Hon. LAMBERT TREE of Washington.

Mrs. PATTON had been in feeble health for a number of years. Since the death of her husband she has resided with her step-son, Hon. J. G. PATTON, who has cared for her with the affection of a son. She was 77 years old. The funeral will take place at the house to-morrow afternoon at 1 o'clock.
