Elizabeth Martin, of Brooklyn, was found dead in her rooms on Monday of smallpox. Her husband was removed to the smallpox hospital some days ago, and since then the neighbors have shunned her. She died alone, in great agony.

Mr. and Mrs. Roswell P. Flower, of New York, have given St. Thomas Episcopal church \$35,000 for building a St. Thomas home, and \$5,000 for a perpetual fund for charitable purposes, in memory of their only son who died recently.

The burning of the Court house at De Kalb, Kemper county, Miss., last month destroyed all the papers in connection with the trial of the alleged assassins of Judge Chisholm.—This practically ends the prosecution. It is stated that one of the Gullys is suspected of setting the building on fire.

Jerome J. Hinds, an old mail contractor, is gaining considerable unenviable notoriety by an attempt to besmirch certain officials in the Post Office Department, especially the Second Assistant P. M. General, by charging fraud and corruption in the allotting of contracts. We don't believe a word of his statement; for, although we do not know Gen. Brady, we do know that the Auditor for the Post Office, who approves the bills would not countenance any fraud in his office.

The Cleveland *Herald*, by authority of Mr. Hayes, makes a statement concerning his salary and savings as follows: "The aggregate of his salary for the four years was \$200,000. The expenses of the position during that time were \$134,000.—Had Congress refunded the \$4,000 he paid for the expenses of the 'visiting statesmen' to Louisiana his savings would have been about \$70,000. As it is, he went out of office with \$56,000 to be carried from his account as President to the benefit of his account as a private citizen. When he became President he was burdened with debts to the amount of \$90,000, mostly on account of bequests charged he has paid \$60,000 out of his savings from the Presidential salary, so that the net available results in cash of his Presidential term is \$6,000."

Doctor Schaff, one of the Revision Committee prints the following card in the *New York Times*:

In answer to many questions, and to correct misunderstandings on the part of the public, I beg leave, in behalf of the Bible Revision Committee, to make the following statement:

First, The Revised New Testament will be published by the English University Presses in May next, in different sizes and styles of binding, at corresponding prices.

Second, The American Committee give their sanction to the University editions as containing the text pure and simple.

Third, The Committee have no connection with any of the proposed reprints.

Fourth, The publication of the revision will be precisely on the same footing as the present authorized version—that is, protected by copyright in England and free in this country.

Fifth, The American Committee will present to every old and new contributor of not less than \$10 toward the expenses of their work a memorial copy of the best University edition in royal octavo, handsomely bound and inscribed. This offer holds good till next May, and the copies will be forwarded free of expense as soon as received.

**A FEW FACTS**  
in regard to the

**White Sewing Machine.**

It is an acknowledged fact that the White Sewing Machine now stands pre-eminent among first-class machines, for its simplicity and light-running qualities.

It is a mechanical fact that the White Sewing Machine is made from the best material and of excellent workmanship, and all its wearing parts are adjustable, so that lost motion can be "taken up" in an instant.

It is an undisputed fact that the durability of the White Sewing Machine is sustained by a written warranty for five years.

It is a progressive fact that the White embodies the most practical and useful improvements of other sewing machines, together with advantages peculiarly its own.

It is a money-making fact that the White is the easiest-selling selling machine in the market, and therefore all wide-awake dealers make it their specialty.

It is a gratifying fact that the White gives universal satisfaction, and that it is steadily and rapidly increasing in public favor.

**CAUTION.**

Do not be imposed upon by agents and parties who are interested in the purchase and sale of other machines. It has become a common trick for unscrupulous competitors to get a White machine and put it in bad order so that they might prejudice purchasers against it and in favor of their own machines. To guard against such contemptible trickery, we advise all intending purchasers to correspond with us direct, and we will take pleasure in giving them the address of a regular authorized dealer for the "White" in their county, or we will offer to sell them a machine direct at special prices, and guarantee satisfaction in every respect.
