John F. Scammon, an old lawyer of Chicago, writes to the Chicago Inter-Ocean a letter in verification of Robert T. Lincoln, concluding as follows:

Should both Mr. Wayne MacVeagh and Mr. Robert Lincoln go into General Garfield's Cabinet there will be two Lincolns there. Some years ago while waiting in the ante-room of the Governor's office at Harrisburg, Pa., my attention was called to an engraving on the wall of the names of the members of an old constitutional convention, among which I found a signature, Abraham Lincoln, which very closely resembled the signature of our martyred President.

When Mr. Wayne MacVeagh was here last summer attending the Presidential convention, I sat at his side, and observed for the first time his resemblance to Mr. Lincoln. I mentioned to him this signature in the Governor's room, and asked him if he had ever been told his side face resembled Lincoln's. "Oh, yes," he said, "and that his mother was or was descended from one of these Pennsylvania Lincolns." So I guess the Lincolns are not all buried yet.

Henry George Pearson the new Postmaster of New York is a native New Yorker, born in 1842. He was appointed a messenger in the Audit Department of the Custom House when a boy and in 1860 entered the Postoffice as a clerk. He served under Postmaster Fowler, Taylor, Wakeman and Jones. In 1864 he was detailed to superintend the mail between New York City and Washington. He was appointed Special Agent of the Railway Mail Department in 1872, and after serving for a while as Superintendent of Mails in the New York office was appointed Assistant Postmaster in 1873. He is said to have been the executive officer who has not only carried out Postmaster James' suggestions, but made many improvements of his own.

President Garfield and Judge Kelley once went down on the Eastern Shore of Maryland to make political speeches. It was in war times, during a Congressional campaign, and some of the Eastern Shore men were strong rebels. While General Garfield was making a Republican speech in the Court House at Chestertown an egg whizzed by like a bullet and smashed against the wall behind him. "Gentlemen," said Judge Kelley, sniffing the air, "I'm happy to see that down here on the Eastern Shore the glorious American eagle lays sound eggs." The audience roared with laughter and General Garfield went on with his speech.

The Secretary of the Treasury has decided that no return of legal-tenders will be made to the banks which deposit them with the purpose of retiring their circulation. He thinks that to return them would create a dangerous precedent. He also expresses the opinion that no stringency in the money market need be apprehended, owing to the large amount of bonds that have been and are being purchased by the government.

John T. Rich has been nominated for Congress by the Republicans of the Seventh district of Michigan to succeed Omar D. Conger. Mr. Rich is a farmer by occupation and is at present a member of the State Senate. He has twice been Speaker of the Michigan House of Representatives.

A year of pleasure passes like a floating breeze, but a moment of misfortune is an age of pain.

DR. A. E. BURR'S

HOMOEOPATHIC

LUNG SYRUP.

This remedy is something new, both as to name and composition. This is one of the wonders of the world. This Syrup, I claim, is better and more effective than any other ever offered to the people of America or any other country, and what I say of this I can prove. This Syrup, like the Pills, is harmless and safe. It contains no opium or other narcotic poison, like the most Syrup, and is not disagreeable to take. Any child will take it. And it will cure any and all inflammations arising from Cold. It is superior to all others in every respect and especially for the following reasons:

- 1st. It will cure Croup every time.
2d. It will cure Inflammation of the Lungs.
3d. It will cure Quinsy.
4th It will cure Whooping Cough.
5th It will cure Bronchitis.
6th It will cure Hoarseness.
7th It will cure Sore Throat.
8th It will cure any Cold.
9th It will cure Congestion of the Lungs.
10th It will cure any Cough.
11th It will cure Scarlet Fever.
12th. It is the best remedy that any one can take for Consumption, and if taken in the first stage I will guarantee a cure.
13th. It is perfectly safe for all ages as there is nothing in its composition that can harm a child.

A FEW FACTS

White Sewing Machine. It is an acknowledged fact that the White Sewing Machine now stands pre-eminent among first-class machines, for its simplicity and light-running qualities. It is a mechanical fact that the White Sewing Machine is made from the best material and of excellent workmanship, and all its wearing parts are adjustable, so that lost motion can be "taken up" in an instant. It is an undisputed fact that the durability of the White Sewing Machine is sustained by a written warranty for five years. It is a progressive fact that the White embodies the most practical and useful improvements of other sewing machines, together with advantages peculiarly its own. It is a money-making fact that the White is the easiest-selling selling machine in the market, and therefore all wide-awake dealers make it their specialty. It is a gratifying fact that the White gives universal satisfaction, and that it is steadily and rapidly increasing in public favor.

CAUTION. Do not be imposed upon by agents and parties who are interested in the purchase and sale of other machines. It has become a common trick for unscrupulous competitors to get a White machine and put it in bad order so that they might prejudice purchasers against it and in favor of their own machines. To guard against such contemptible trickery, we advise all intending purchasers to correspond with us direct, and we will take pleasure in giving them the address of a regular authorized dealer for the "White" in their county, or we will offer to sell them a machine direct at special prices, and guarantee satisfaction in every respect.
