## White Sewing Machine.

It is an acknowledged fact that the White Sewing Machine now stands preeminent among first-class machines, for

its simplicity and light-running qualities.

It is a mechanical fact that the White Sewing Machine is made from the best material and of excellent workmanship, and all its wearing parts are adjustable, so that lost motion can be "taken up" in an instant.

It is an undisputed fact that the durability of the White Sewing Machine is sustained by a written warranty for five

It is a money-making fact that the White is the easiest-selling selling machine in the market, and therefore all wide-awake dealers make it their specialty.

It is a gratifying fact that the White gives universal satisfaction, and that it is steadily and rapidly increasing in public favor.

## CAUTION.

Do not be imposed upon by agents and parties who are interested in the purchase and sale of other machines. It has become a common trick for un scrapulous competitors to get a White machine and put it in bad order so that they might prejudice pur chasers against it and in favor of their own machines.

To guard against such contemptible trickery, we advise all intending purchasers to correspond with us direct, and we will take pleasure in giving them the address of a regular authorized dealer for the "White" in their county, or we will offer to sell them a machine direct at special prices, and guarantee satisfaction in every respect. tee satisfaction in every respect.
