The combination brush which Mr. PLUMMER is now offering to the people of this place will pay for themselves in the saving of time and vexatious labor during the approaching "house cleaning" period. Every well regulated family who esteem cleanliness akin to godliness should have a set of them.

HAVE FAITH.—There is but one consolation that accompanies the present disagreeable condition of the weather and that is, that in the nature of things it can't last very much longer. We are rushing along rapidly towards the first of April, and this must bring us clear skies and bright sunshine. Like all blessings that come after the endurance of trials, the balminess of spring will be all the more welcome because of the barrenness and discomforts of winter. We have been drifting under the clouds for so many weeks that the eyes fairly ache for a sight of budding trees and verdant lawns. But these will all come in due time, in a very short time, too, for the season of snow and ice is fading fast away and the blooming spring is at our very doors.

Mr. C. A. Plummer is in town and will canvas our village for a most useful and convenient article, in the shape of a set of combination brushes and handle, which only need to be seen to be appreciated. Mr. Plummer is an intelligent, reliable gentleman, and we cheerfully commend him to the confidence of all on whom he may call. 3-23-1wk.

I had been a great sufferer from Neuralgia for years and had consulted a great many different physicians, but got no cure until I took Dr. Burr's Neuralgia and Sick Headache Pills; they cured me and I have recommended to over fifty persons and I have never known them to fail. They are also the best nervous and dyspeptic pill I ever saw.
