God makes us brave to meet each loss
Without a sigh;
To do our work and bear our cross,
Nor question why.

He knows the secret of our way,
And what is best;
The long, dark sorrows pulse with praise,
And lead to rest.

Last Friday evening Miss KATE CHASE, sister of Conductor CHASE, and Miss TILLIE HOFFMAN while going to a party saw a huge rock on the west bound Erie track between Cameron and Cameron Mill, that had become loosened from the bank of the deep cut in that vicinity. They knew that it was nearly time for the Monitor to pass and that that stone would cause a disastrous wreck. They therefore went upon the track and rolled the rock off, and it would not seem possible for them to do so only by super-human power, as it weighed between four and five hundred pounds. They had just cleared the track when the Monitor came in sight. Supt. CABLE appreciated their herculean efforts and acknowledged the Erie's obligation to them by placing them on the free list.—*Waverly Review.*

KIND WORDS.—We make no apology for printing the appended letter received last evening from one of our most intelligent and appreciative subscribers. It is so seldom that editors are favored with such compliments—it is so much easier to criticize and find fault. We tender Dr. HORTON our unfeigned thanks for his kind words; they have done us good. We trust the future of the REVIEW may justify his good opinions and verify his prediction, and that he may long live to see the continued prosperity of Towanda and this entire section:

EDITORS OF THE DAILY TOWANDA REVIEW:
Gents—Here's a mite to continue my subscription. I am pleased with the REVIEW. It seems to me that all reading persons in the county who have daily mails should take it. I regard it as creditable not only to Towanda but also to the whole county. I had no thought formerly of ever living to see a daily paper in Towanda. It certainly is a valuable acquisition to the newspaper fraternity of our county, and furnishes strong evidence of the advancing intelligence and higher civilization of our community. I knew the site of Towanda well when it had no meeting house, no court house, and only a log jail several miles from the then embryo village. How great the change! Towanda now, with its half-dozen churches, its Sabbath schools, its Collegiate Institute, its four or five weeklies, and last and best its DAILY REVIEW, stands foremost among the villages of the northern tier of counties. May your daily live and prosper and continue to bring, as it does to me, daily delight and blessings to thousands of new subscribers. Hastily yours,
GEO. F. HORTON.
