The calendar clock in the Ward House office played a trick on the boys yesterday. Apparently the usually accurate time piece forgot that March contained 31 days and at 12 o'clock on the night of the 30th the indicator jumped to April 1; and that's the reason the face of the clock was veiled yesterday.

Watkins Post, No. 68, G. A. R., are to have a camp fire at their hall to-morrow evening. Refreshments incidental to such occasions will be served and the boys are anticipating a good time. This is intended as the beginning of a series of such occasions, to be held monthly; every member of the Post is expected to be on hand to take his rations.

A CALL FOR AID.—The Ladies Benevolent Association, is obliged to make an urgent appeal to the citizens of our town for aid to carry on its work. The past severe winter has drawn so heavily upon our funds, that notwithstanding the liberal support given us in November, our Treasury is exhausted, the unusual number of cases of sickness have demanded our attention; the extreme cold weather has made our coal bills necessarily high; provisions, and clothing though prudently dealt out, have rapidly used up our money, and in order to prosecute our work we must have help. Our appeals have heretofore been promptly responded to, and we believe the present one will not be unheeded. By order of the President,

Mrs. Dr. H. C. PORTER.

Mrs. R. M. WELLES, Sec'y.

ORIGIN OF THE SISTERS OF MERCY.—In the year 1617, when VINCENT, the eminent Roman Catholic Saint, was one day going up the pulpit at Chatillon, a lady who had come to hear him preach detained him for a moment with the request to make mention in his service of a poor family living about half a league from Chatillon, where there was much sickness and great need of help. He was asked to recommend this family to the charity of the congregation. This he did with such effect that several of the people set out on leaving the church to visit the poor family and took with them bread, meat and other things for their relief. After vespers VINCENT went also to visit them, and was surprised to meet so many of the people coming back. His practical eye at once perceived that the matter had been carried to excess.—The poor people received far more than they could use. Many of the provisions would be spoiled before they could be availed of, and the family for whose benefit these offerings were intended would be as badly off as before. VINCENT began to think that system and organization was needed. He formed a parochial association, which he called the Confraternity of Charity, and out of this little streamlet of good works at Chatillon grew a vast organization for the benefit of the poor.
