## Council Proceedings.

An adjourned session of the council was held Friday evening, April 8th, 1881, at which all the members were present.

Councilman Parsels moved that the reading of the minutes of the last meeting be dispensed with, and that they stand approved as published and entered by the secretary. Carried.

Burgess Alger announced his appointment of committees.

Finance committee, of which the regulations make him a member, Holcomb, Frost, Sanitary—Gordon, Holcomb, Keeler. Streets—McCabe, Gordon, Spalding. Gas—Rahm, McCabe, Parsels. Fire—Frost, Rahm, Keeler.

By Councilman Rahm:

Resolved, That Johnson Wells and Geo. W. Moffit are hereby appointed special police for the ensuing year, without pay, except when detailed for duty, by direction of the burgess, or in his absence by the assistant burgess.

Mr. Holcomb moved to amend by adding the name of Harding P. Chubbuck.

Mr. Parsels said that a large majority of his constituents were in favor of the appointment of Geo. Britton as special police, and as such an officer was very much needed near the Barclay depot, he moved to amend by adding Mr. Britton's name to the list.

The amendments were carried, and the resolution as amended was adopted.

Councilman McCabe called the attention of the council to the necessity of making some change in the council rooms, and the sanitary condition of its surroundings. A committee had been appointed at a former meeting who had submitted a report in favor of commencing the work as soon as the weather would warrant it; one of the members of that committee was no longer a member of the council and another should be appointed in his place.

The burgess appointed Councilman Rahm to fill the vacancy. By general consent the committee were authorized to examine and report at a meeting to be held on Thursday evening the 14th inst., what changes are necessary to make the council rooms more convenient for the borough government and citizens having business before it, and also to receive proposals for doing the work.

By Councilman Parsels:

Resolved, That no work be done on the streets not ordered by the council, unless it should become necessary between regular meetings of the council to clear obstructions from the ditches or repair crossings, and such work may be done by order of the burgess.

Adopted.

In consequence of the additional amount of expenditures which will be required to pay the Water Company should the works be accepted, it was deemed necessary by all the members of the council to slightly advance the rate of taxes; the following resolution was therefore adopted:

Resolved, That a tax of fifteen mills on the last adjusted valuation for county purposes be levied as borough tax for the year A. D. 1881 of Towanda borough; that the board of appeals be held on Saturday evening the 7th day of May, at 7:30 o'clock, of which time and place the collector shall give due notice.

The next business considered was the proposition of the Gas Company. The company propose to light the streets for one year from the 10th day of April, 1881, for \$1.60 per post per month, gas to be burned on all dark nights from one-half hour after sundown to 11:30 P. M., the company to light and extinguish the gas and wash the globes for the additional sum of \$9 per month, as heretofore.

On motion of Councilman Holcomb the proposition of the Gas Company was accepted.

On motion of Councilman Rahm the council proceeded to fix the salaries of the borough officers, and the following rates were agreed upon without dissent.

Secretary and Treasurer, \$300; chief of police Burns, \$2 per day; J. N. Califf, retaining fee, \$50; C. W. Dimock, \$20 per month in addition to the amount paid him by citizens.

Mr. Rahm moved that the streets and alleys be cleaned as soon as the frost will permit, commencing on Main street.

Carried.
