Superintendent JUDD has been busily engaged for some days past changing the track up the plane to permit the running of eight-wheel cars and putting up an iron bridge in place of the "crooked bridge" burned last fall. As a consequence, no coal has been run over the Barclay road since last Friday.

QUARTERLY MEETING—The third quarterly meeting service will be held in the M. E. Church next Sabbath, as follows:

The annual spring forest fires are now raging in different parts of the county—Wilmot and other townships, doing much damage to logs, barks and standing timber. In times like these the utmost precaution should be exercised as regards the use of fire in the fields or woods, for meadows and forests will burn like powder, doing incalculable damage to property. The simple burning of a brush-heap often results in the loss of a valuable grove of timber, to say nothing of the destruction of buildings and fences.

MISS JOSEPHINE SMITH, fashionable dress-maker, has removed from L. T. ROYSES to E. MCINTYRE'S boarding house, one door north of Dr. PRATT'S, where she will be pleased to receive orders from those desiring her services. She makes a specialty of cutting and fitting, and is confident she can do all work in her line to the satisfaction of the ladies of this place.

There will be a select hop in Means' Hall, Friday, April 29th, 1881. Proceeds to be used in fitting out a gymnasium. Tickets 50 cents, for sale at FITCH'S Confectionery Store.

Pomona Grange, No. 23, P of H., composed of Bradford and Sullivan Counties, will hold its next regular quarterly meeting at the Hall of Towanda Valley Grange, No. 204, at Franklindale, on Thursday, May 12th, 1881, at 1 o'clock, p. m. The evening session will be open and all are invited to attend. A general attendance of 4th Degree members is requested, as business of importance is to be transacted, together with the installation of officers for the ensuing year.
