Owing to a loss of voice **Bishop HOWE** has been compelled to defer his visit to Christ Church which was to have been made on Wednesday evening.

JOHN E. DAVIES, a nephew of Senator **DAVIES**, who went west last spring is back on a visit to his friends in this county. He is located at Hiawatha, Kan. and expresses himself well pleased with the country.

WILL PLUMMER will teach the summer term of school at Green's Landing, commencing next Monday. **HARRY GREEN** returns to Sayre at the same time. They are both good teachers, and pretty good kind of fellows, too.—*Athens Gazette*.

If some of the fashionable young ladies of Athens should follow the example set by **Mrs. N. C. HARRIS**, they would display the color of health in their faces and add to the beauty and cleanliness of their homes, and the street-gazers would see less of them, and, too, they would exemplify the old song, "Who will care for mother now?" Girls don't keep the old woman out of the kitchen nor from cleaning the front yard in this age of the world, much.

Miss **PETRIE**, daughter of the Presbyterian minister at Barclay, was one of the competitors for the "Hall Prize," offered the young lady students of the Elmira College for the best political essay. Her production is thus noticed in the *Free Press*.

"Scholarship in Politics" that by the award of the committee stood next to the prize would do for what is known as a bright newspaper like the *Sun*, where the English language is put in the clearest and most incisive style. It was such an article as one having read would naturally call his neighbor's attention to on his way down town in the morning; after which other newspapers would take sentences without credit, or copy paragraphs with commendation. It was certainly the essay of the evening, and it was read with an emphasis and spirit that sent its truth home to its hearers. Its idea was that there was too little education or scholarship among the politicians of our country and so much ignorance among them, that one was led to suspect there was "a special providence for ignorance, drunkenness and the United States."

A match game of base ball was played on Friday afternoon, between the Graded School nine, and a number of our young clerks, in which the latter were badly worsted. The score was 30 to 14.

The annual election of officers of the Naiad Fire Company, takes place on Tuesday evening, after which **FITCH'S** Ice Cream Parlors will be formally opened, the Company having secured the exclusive use of them for that evening. After that date they will be open to the public during the season.

DYE & Co. have decided to commence gas-fitting and plumbing. Mr. **DYE** has gone to the city to purchase stock, and will employ one of the best workmen in that line to be found. They will be ready to commence work in a few days. In the meantime they suggest to those desiring gas-fitting or plumbing done, to give them a call.

The Stars and Mutuals played a match game

of ball on Saturday. The Mutuals came off victorious.

Mrs. FEROUSON, mother of **Mrs. ORANGE BOWMAN**, of Towanda township, died last week. She was over 80 years old.

We hope there may be a large attendance at the Institute to-morrow evening to hear **Rev. C. H. WRIGHT'S** lecture on "CHARLES SUMNER."

There will be a regular meeting of Linta Hose Co., Tuesday evening. Business of importance will be considered and every member is earnestly requested to be present.

The ladies of the Church of the Messiah will hold a social in the lecture rooms of the Church on Tuesday evening. A special feature of the entertainment will be a drill by "Red White and Blue Broom Brigade," composed entirely of young ladies. Refreshments consisting of cake ice cream and coffee will be served.

A horse thief was arrested in Fall Brook and was taken to the hotel to wait for the train. He went into a bed room and made a rope from the bed sheet and let himself down to the ground, and started for Lycoming county in good style. It was an old trick well played.—*Blossburg Register*

This is the same fellow who stole **MACE'S** horse near Greenwood. He feigned serious lameness, and it required the assistance of two officers to help him up stairs.

Presiding Elder **WILBOR** occupied the M. E. pulpit last evening and delivered an able and intensely interesting discourse from the text—"It is appointed unto all once to die." The death of the Christian and the unbeliever were very vividly contrasted, leaving an impression which will never be lost by those who listened. To the Christian, death has no terrors; it is simply a transition to a higher life. At the conclusion of the interesting sermon, which was listened to with the closest attention by the large congregation, the communion was administered.

To-morrow the school directors of the county will meet in this place for the purpose of electing a county superintendent for the coming three years. It is matter of congratulation that the present incumbent, **Prof. RYAN**, has given such universal satisfaction, and the schools show such uniform improvement and advancement under his administration, that he is the only candidate for the position. It is entirely safe to predict that the educational interests of the county will receive such an impetus during **Mr. RYAN'S** second term as to place us in the front rank in the Department of Education. We hope for the credit of the county there may not be a dissenting voice to his election.

The Sayre Arbor Association had their annual tree planting on Wednesday. An interesting feature of the day was the setting out of memorial trees. The President, **SIDNEY HAYDEN, Esq.**, dedicated a beautiful elm to his venerable friend and esteemed neighbor, **HIRAM THOMAS**, in a neat and appropriate speech, which was responded to by **H. W. THOMAS** for his father. **Mr. HOWARD ELMER**, to whose enterprise and public spirited liberality Sayre is largely indebted for its prosperity also made a speech.
