The bride must be possessed of rare accomplishments to attract Prof. CRAWFORD so far from home, particularly when he has been thrown in the society of so many beautiful and gifted young ladies of this county. We congratulate the Professor on the important step he has taken, and bespeak for him and his wife a long and happy life. The newly wedded pair are spending a few weeks with Prof. CRAWFORD's brother in Cincinnati. They expect to proceed to California in August.

CREDIT TO WHOM CREDIT IS DUE.—A notice having appeared in the last *Argus* to the effect that the plumbing at the poor house was done by a Mr. TATE, Commissioner HURST makes a correction in the following card:

The plumbing at poor house was done under the direction of Edward Williams, of Towanda, and those employed by him, and is entirely satisfactory so far.

If the plumbing at the poor house reflects credit upon any one, Mr. WILLIAMS, who had the contract, is entitled to it, and it is hardly fair in our cotemporary to cheat him out of it.
