### Personal.

Mrs. **ADDIE CAMFIELD** of LeRaysville is visiting in this place.

**GEORGE J. LOW**, of Sandwich, Ill., is visiting friends in this place.

Mrs. **Capt. G. V. MYER** is home again after an absence of two weeks visiting friends in Tioga county.

**CHAS. DURUZ**, of this place, has secured a responsible and lucrative position with a railroad company in New York city.

Mrs. **LEROY GLEASON** and son **CHARLIE**, of Canton, Pa., were in the city yesterday on their way to Tioga and Wellsboro, where they are to spend a few weeks with her brothers, one of them being Senator **MITCHELL**, of the latter place.—*Elmira Adv.*

Brother **STRONG**, of the *Dushore Review* has "been and gone and done it," and the event is thus announced by his associate:

We regret (?) to announce that the senior editor of the *Review* is unable to attend to his accustomed office duties. He "jumped the broom-stick"—the result, no broken bones, but a whole man. In fact he has taken unto himself a better-half. She, Miss **Mary Bernice Thomson**, became weary of the weakness of single blessedness and suddenly became **Strong**. The affair passed off very pleasantly, Rev. Mr. **Burson** officiating at 6:30 this (Wednesday) morning. The bride and groom looked their very best, and were the happy recipients of many heartfelt wishes for the length, happiness, and prosperity of their future lives, also numerous gifts as an expression of the same, which were both elegant and substantial. The happy couple left on the morning train followed by a shower of old shoes, rice and slippers.

The funeral of the late **JAMES BRINK** will take place at the residence of ex-Sheriff **LAYTON**, at 9:30 this morning.

The pastor and most of the members of the Freewill Baptist Church at East Troy, have decided to unite with the Troy Baptist Church.

To those who have no "music in their souls" the unique costumes to be worn by the participants in the "Old Folks" Concert this evening, will be well worth the price of admission.

Have you been to Titus' confectionery store and tried some of that celebrated Wyoming country Ice Cream? We have and unhesitatingly pronounce it the best we have ever eaten. Call and get some.

The rare medicinal virtues of the lemon are now generally admitted by physicians, and the liberal use of lemonade as a beverage recommended. **WICKHAM**, at the post-office, makes an excellent quality of this palatable and healthy drink.

We hear of several houses being damaged by lightning this week. During the shower on Monday evening Mr. **SADDLER'S** house at East Troy and **CHAS. TERRY'S** in Terry twp. were struck. Early yesterday morning Mr. **TUTTLE'S** residence at North Orwell was hit, and about the same time the house of a Mr. **VANNESS** in Standing Stone was considerably shattered.

People troubled with rheumatism or any chronic disease, are almost certain to find relief by visiting the Slaterville Springs. The cost of staying at the "Fountain House" is very moderate, while the accommodations are far superior to those afforded at most summer watering places. In the interest of the suffering we commend these springs, as we know their healing virtues from experience.

The Burlington correspondent of our big contemporary the *Reporter* furnishes that paper with this interesting item:

"Most people familiar with Burlington will remember the neat white dwelling house owned by W. H. D. Green, which stands next below the hotel lot; it would puzzle them to recognize it now, for he has had it completely remodeled, and now the front of it is a model, small but perfect, of a city millinery store and ladies furnishing establishment. A peep into the show window makes a bachelor feel as if he had obtained a glimpse of Paradise. Such flowers, such filmy lace

and floppy flowers, such Lisbon satins, to say nothing of the marvellous combinations of all these, which so puzzle the mind masculine as to what they are, how made, and above all, what they are intended for, but which the ladies (bless their wise little hearts) place on their heads in the most "killing" manner and pronounce loves of bonnets. The favored few who have been allowed to enter by the side door say that back of the perfect store is a perfect home. What a thought for a lonely man who loves good cigars and other costly luxuries, and does not, alas, love work. Still, "none but the brave deserve the fair." Miss **Trumbull**, the young lady who presides over all this beauty, fairly took away the breath of your humble servant by declaring it only took her two days to select and purchase her entire stock.
