O. A. BLACK, Agent, Send for Samples. Towanda, Pa.

It is an undisputed fact that the durability of the White Sewing Machine is sustained by a written warranty for five years.

It is a progressive fact that the White embodies the most practical and useful improvements of other sewing machines, together with advantages peculiarly its own.

It is a money-making fact that the White is the easiest-selling selling machine in the market, and therefore all wide-awake dealers make it their specialty.

It is a gratifying fact that the White gives universal satisfaction, and that it is steadily and rapidly increasing in public favor.

# CAUTION.

Do not be imposed upon by agents and parties who are interested in the purchase and sale of othe r machines. It has become a common trick for un scrupulous competitors to get a White machine and put it in bad order so that they might prejudice pur chasers against it and in favor of their own machines. To guard against such contemptible trickery, we advise all intending purchasers to correspond with us direct, and we will take pleasure in giving them the address of a regular authorized dealer for the "White" in their county, or we will offer to sell them a machine direct at special prices, and guaran tee satisfaction in every respect.
