A farmer living in Markham twp., Quebec, has discovered a pit on his farm containing five hundred skulls, and five times as many legs, arms and bones. The remains are probably those of Indians buried two hundred years ago.

It is claimed by members of the legislature that Attorney General Palmer is anxious to have them pass a bill giving themselves extra pay, which they are a little shy about doing, having in mind no doubt the hue and cry raised about Congressional salary grabbers.

Judge Burgoyne of Cincinnati who died last Wednesday at the age of eighty years, was famous as a leader in the Whig party. He was the first to pronounce from the bench the unconstitutionality of the fugitive slave law. He secured the appointment of President Harrison as clerk of his court.

Bishop Doane states that the Episcopal church will pay no attention to the revised Testament until the matter comes before the General Convention two years hence. He considers it no improvement on King James' translation and the church is not committed to an indorsement of the revision.

Gen. Cameron has presented to the Lutheran Church, of Maytown, Pa., the old Cameron homestead to be used as a parsonage under the condition that a portrait of the late Eliza Cameron shall remain in the parlor of the parsonage—the owner desiring that the parsonage shall constitute a memorial of his wife.

Rev. William A. West, a Presbyterian clergyman of Harrisburg, was prosecuted for knowingly and willingly performing the marriage ceremony between a young man and woman under age. The action was commenced under an old statute, which fixes the penalty for such offense at fifty pounds, Pennsylvania currency, which is equal to \$133. The jury disagreed and was discharged.

An important decision has recently been made by the Supreme Court in a case taken up from Schuylkill county, Commonwealth against McHale. The decision is to the effect that the statute of limitations of 1839 does not apply to election frauds. This will make a good many men in the larger cities of Pennsylvania feel much less safe than they did when they imagined the statute screened them from punishment.

The Secretary of the Omaha Board of Trade, estimates that the grain crop of Nebraska for this year if the present indications are realized, at one hundred and five million bushels, an increase of 30 per cent over last year's crop. The wheat crop is estimated at 16,000,000 bushels, a gain of 50 per cent. The farm lands are being rapidly taken up by settlers and capitalists. The tide of immigration is increasing, and all industries show a healthy and prosperous condition, with labor in constant demand.

Our popular artist, G. H. WOOD, is gaining a reputation for excellence of work which is making Towanda famous. He received the following flattering letter on Saturday from a delighted customer:

CAMDEN, N. Y., May 11th, 1881. MR. GEO. H. WOOD: My Dear Sir—The picture arrived this morning, and was paid for and taken in less than two seconds after it was opened. It is without doubt the finest picture of any kind in town; in fact, the finest I ever saw at any price.

I cannot compliment you sufficiently for your talent, and assure you that you will never regret the labor bestowed on this piece of work; it will be productive of other similar work from this section and to no small amount. I have no doubt that by putting it on exhibition in window I could secure you hundreds of dollars worth of work. I have compared it with former one of same subject made by you at \$15 I think, and this is very much finer.

My wife who is a daughter of the subject, is perfectly carried away; you may consider her under obligations to you. Again thanking you, I remain, Yours, &c. A. C. WOODRUFF.

**HOMOEOPATHIC LUNG SYRUP.**

This remedy is something new, both as to name and composition. This is one of the wonders of the world. This Syrup, I claim, is better and more effective than any other ever offered to the people of America or any other country, and what I say of this I can prove. This Syrup, like the Pills, is harmless and safe. It contains no opium or other narcotic poison, like the most Syrup, and is not disagreeable to take. Any child will take it. And it will cure any and all inflammations arising from Cold. It is superior to all others in every respect and especially for the following reasons:

- 1st. It will cure Croup every time.
- 2d. It will cure Inflammation of the Lungs.
- 3d. It will cure Quinsy.
- 4th It will cure Whooping Cough.
- 5th It will cure Bronchitis.

- 13th. It is perfectly safe for all ages as there is nothing in its composition that can harm a child.
