**FUN AHEAD.—THE CIRCUS IS COMING.**—Our citizens may all prepare for a grand holiday on Tuesday next, that being the date advertised for the exhibition by Batcheller & Doris' Great Inter-Ocean Largest Show on Earth, at this place. This gigantic consolidation of 12 colossal shows in one has been absorbing by purchase for the past three years all the smaller shows in the country, and have increased in size so suddenly that the public have scarcely ascertained the fact which is undisputed that the Batcheller & Doris Combination now own, control and exhibit more show property than any other similar organization in the country. They make a specialty of advertising and exhibiting exclusive features and novelties which cannot be duplicated or seen in any other show, and in addition to an immense menagerie and museum and circus, such as possessed by none of the other shows, call attention to some features which have never before been exhibited, such as the seven-ton, two-horned, black, hairy rhinoceros, the only one ever imported to America; not the only rhinoceros remember, but the only one possessing two horns and covered with a coat of black hair two and a half inches long; also, the wonderful monster of the deep, a genuine Egyptian Bivalapus, which they positively assert is the only one ever in captivity and recently imported for them. This rare specimen was captured in the Mediterranean, off the coast of Alexandria, Egypt. These two rare zoological specimens have already attracted the attention of scientists, and will probably only be exhibited with a traveling menagerie the present season. Almost fabulous sums have been offered Messrs. Batcheller & Doris to secure them for one of the leading zoological gardens. Another exclusive feature possessed by no other show is Zazel, better known as the human cannon ball, who is fired from a massive mortar seventy-five feet into mid-air, and afterwards walks a wire the size of a knitting needle, stretched across the top of the canvas. Her performances are pronounced by all who have seen them as the most exciting and miraculous ever witnessed. In addition to these novelties, they have the only group of native Zulus ever in this country, a genuine band of savage Sioux warriors, direct from Sitting Bull's band, Prince Satsuma's Royal Japanese Troupe of athletes, jugglers and necromancers, Morris' band of Georgia jubilee singers, Mlle. Sara, the renowned French bareback equestrian, (first appearance in America), Romeo Sebastian, champion bareback rider of America, W. J. Morgan, the fearless hurdle rider, the celebrated Siegrist children in gymnastic exercises, and a grand double circus company, all excelling in their various specialties. The grandest street demonstration free to all ever witnessed in this country will be made at 9 o'clock on morning of exhibition, and will actually eclipse anything of the kind you ever saw. Excursion trains will be run on all railroad lines at greatly reduced rates of fare, to bring in the multitudes.
