Jefferson Davis has written a letter reluctantly declining an invitation to be present at the unveiling of a monument to the unknown Confederate dead in Frederick county, Md., on the 2nd of June. He seizes the occasion to say: "I am truly grateful to your association for this enduring mark with which you honor the brave men who sleep their last sleep in the soil of Maryland. They died not for our cause, but for the cause of mankind, their lives being a sacrifice to constitutional liberty, the right of a people to govern themselves." Jefferson is certainly growing humorous in his old age. The people of the South had everything pretty much their own way up to the time of the election of Abraham Lincoln, and then, because the North beat them with the ballot they appealed to the bullet. That sort of "constitutional liberty" is good.

The executors of the late hereditary Princess Caroline of Denmark found recently an old chest in the lumber-room, which not even the oldest servants remembered ever seen opened, and as no keys were found which fitted the lock, the lid was forced and to the surprise of everyone, the box contained a rich collection of furs, loose brilliants, pearl and diamond necklaces, velvets, pieces of richly embroidered satin, canes and riding whips with handles of beautifully chiselled gold and silver inlaid with precious stones, gold cups, and in short a quantity of valuables worth many thousands of dollars. Apparently the existence of this treasure had been entirely forgotten by the late Princess.

Senator Logan said to the Postmaster General the other day: "James, I hope you will probe this Star route corruption to the bottom. Never mind who it touches; don't mind either, those who cry out that the investigation will hurt the party. Reform never ruins. You remember some years ago we investigated in Congress the sale of cadetships by Republican Representatives and a result of the investigation ousted three of them. That did not hurt the party. That is forgotten now and the party survives uninjured. Yes, all the better for it. Since then no cadetships have been sold by Congressmen." "I will investigate regardless of consequences," responded the Postmaster General.

The Census Bureau furnishes a statement showing that the increase in the yield of wheat in 1879 and 1880 compared with that of 1869 and 1870 was 171,756,000 bushels; corn, 1,012,162,000; oats, 127,863,000; barley, 14,288,000; rye, 2,945,000; buckwheat, 2,030,000.

Mrs. Kate Chase Sprague is busily engaged at her country residence in writing the biography of her father, the late Chief Justice Salmon P. Chase.

Twenty thousand, one hundred and seventy-eight immigrants arrived in New York last week, the best record for a month. It is probably that the record for the month will exceed the total for the year 1878, nearly 80,000.

The holder of the belt for which the pedestrians contested last week in New York, refuses to give it to Vint, on the ground that he paid Hughes \$500 for it.

A band of counterfeiters have been arrested at Geneva, Switzerland, who have accomplices at Alexandria, Egypt, and in France. They have put 2,000,000 francs of false Egyptian money into circulation.

The Council of the Reformed Episcopal Church approved the calling of a temperance convention at Saratoga, June 21st, and requests the co-operation of all persons to prevent the alarming spread of intemperance.

Mr Fawcett, the blind Postmaster General of England, has decided to give employment to a number of deaf and dumb persons in the department devoted to the sorting of newspapers.

Christ having overcome the world in his own person, has furnished to mankind a power by which they can also overcome through his own indentifying himself in his divinity with human suffering and experience.

Tell me what a Bible is to a man, and I will generally tell you what he is. This is the pulse to try, this is the barometer to look at, if we would know the state of the heart. I have no notion of the Spirit dwelling in a man, and not giving clear evidence of his presence, And I believe it to be a signal evidence of the Spirit's presence when the Word is really precious to a man's soul. When there is no appetite for the truths of Scripture, the soul cannot be in a state of health. There is some serious disease.

## A FEW FACTS

in regard to the

# White Sewing Machine.

It is an acknowledged fact that the White Sewing Machine now stands pre-eminent among first-class machines, for its simplicity and light-running qualities.

It is a mechanical fact that the White Sewing Machine is made from the best material and of excellent workmanship, and all its wearing parts are adjustable, so that lost motion can be "taken up" in an instant.

It is an undisputed fact that the durability of the White Sewing Machine is sustained by a written warranty for five years.

It is a progressive fact that the White embodies the most practical and useful improvements of other sewing machines, together with advantages peculiarly its own.

It is a money-making fact that the White is the easiest-selling selling machine in the market, and therefore all wide-awake dealers make it their specialty.

It is a gratifying fact that the White gives universal satisfaction, and that it is steadily and rapidly increasing in public favor.

## CAUTION.

Do not be imposed upon by agents and parties who are interested in the purchase and sale of other machines. It has become a common trick for unscrupulous competitors to get a White machine and put it in bad order so that they might prejudice purchasers against it and in favor of their own machines.

To guard against such contemptible trickery, we advise all intending purchasers to correspond with us direct, and we will take pleasure in giving them the address of a regular authorized dealer for the "White" in their county, or we will offer to sell them a machine direct at special prices, and guarantee satisfaction in every respect.
