The Baptist ladies missionary society will meet at 3 o'clock this afternoon in the church.

On account of the absence of the pastor, service will be omitted both morning and evening at the Church of the Messiah to-morrow. Sunday School as usual.

Rev. C. H. WRIGHT will deliver the bacalaurate sermon before the students of the Collegiate Institute, in the Presbyterian Church at 7:30 o'clock on Sunday evening. Services at all the other protestant Churches will be omitted.

Lovers of Clam chowder will be afforded another opportunity of indulging their appetites at TIDD'S restaurant this evening, as he has issued invitations to the public to call there and partake free of charge. Like everything else set before his guests Mr. TIDD'S chowder is excellent.

The programme for the parade and dedicatory services of the Odd Fellows Temple in Elmira on the 16th inst., has been arranged, and the demonstration promises to be one of the largest ever made by the order in Southern New York. The procession will include encampments and lodges from Southern and Central New York and Northern Pennsylvania. The procession will be headed by a company of Patriarchs and several bands of music. The evening exercises will consist of the ceremonies of the order, closing with a grand ball.

A FORMER TOWANDA LAD INJURED.—We find the following in the Elmira Free Press of Wednesday evening:

Walter Scott Stoll, the youngest son of Geo. C. Stoll, was run over this morning by a team drawing a load of straw. He with a number of other children was playing in the street near his home when the accident happened. It does not seem possible that the driver of the team saw him. Dr. J. E. Weaver was summoned and upon examining the lad discovered that his collar bone was broken, several ribs fractured and such severe internal injuries sustained that it is very doubtful that the child lives. It is astonishing that he was not killed instantly, as both the forward and hind wheels of the wagon passed over his body.

BICYCLING.—Messrs. E. G. MERCUR, G. R. WRIGHT, E. W. STURDEVANT and J. G. CARPENTER, members of the Wilkes-Barre Bicycle Club, spent Decoration Day in Hazleton and delighted the people with an exhibition of riding their new and elegant bicycles up and down Broad street, and taking a run around the race course at the Park during the afternoon. These gentlemen state that roads between Hazleton and Harleigh and on the south side between Audenried and Jeausville are in excellent condition for bicycling. They made the trip to Audenried from the Central Hotel in forty-five minutes, and dismounted but once when going up the hill in Jeausville, and returned in the same time. Mr. STURDEVANT rode out to the Mountain House, overlooking Butler Valley, and was gone but a short time. Remarkable speed can be made on these bicycles, which are of the most improved style, and range in price from \$80 to \$100. When going down grade they are regulated by a brake, and the rider can, if he chooses, take his feet from the treadle cranks and allow the bicycle to go down a hill at any desired rate of speed. The Wilkes-Barre club consists of nine members, who all belong to the National Bicycle League, which already numbers about 1,800 members, and their visit has been the means of causing a movement here, which will probably give Hazleton a bicycle club in the near future.—Hazleton Sentinel.

Our popular artist, G. H. WOOD, is gaining a reputation for excellence of work which is making Towanda famous. He received the following flattering letter on Saturday from a delighted customer:

CAMDEN, N. Y., May 11th, 1881.  
Mr. GEO. H. WOOD:  
My Dear Sir—The picture arrived this morning, and was paid for and taken in less than two seconds after it was opened. It is without doubt the finest picture of any kind in town; in fact, the finest I ever saw at any price.

I cannot compliment you sufficiently for your talent, and assure you that you will never regret the labor bestowed on this piece of work; it will be productive of other similar work from this section and to no small amount. I have no doubt that by putting it on exhibition in window I could secure you hundreds of dollars worth of work. I have compared it with former one of same subject made by you at \$15 I think, and this is very much finer.

My wife, who is a daughter of the subject, is perfectly carried away; you may consider her under obligations to you. Again thanking you, I remain,  
Yours, &c.
