Council Proceedings.

COUNCIL CHAMBER, June 6, 1881.

The regular monthly session of the council was held this evening, Burgess Alger in the chair and all the members present except Assistant Burgess Holcomb.

Communications, petitions and statements from citizens being the first business in order under the rules, Mr. Robert Ganly entered complaint of a nuisance near the foot of Elizabeth street, and on the bank of the river in that vicinity. Councilman Parsels moved that the sanitary committee be instructed to take measures to remove or abate the nuisance. Adopted.

Dr. Johnson presented a petition for the improvement of Maple street, which on motion was referred to the street committee of all the wards, with instructions to report at the next regular meeting of the council.

F. J. Hungerford, representing the Hook and Ladder Company, asked for an appropriation for purchasing shirts.

D. Walborn petitioned for a culvert on Water street near the Prothonotary's office, and proposed to pay part of the expense.

The application of Mantua Company for an appropriation was first considered. Councilman Spalding said that an appropriation of \$40 had been made to the company last year, that the company had expended the amount on improvements on the rooms occupied by them for storing their apparatus, that it having become necessary for the borough government to take possession of the rooms to use for other purposes, and would make use of the lumber and doors paid for by the company so far as it could be used to advantage, he was in favor of granting another appropriation. Mr. Spalding then moved that an appropriation of \$40 be made to the Mantua Hook and Ladder Company, and that any lumber and doors furnished by the company in repairing room shall be used in improving the station house. Adopted.

On motion of Councilman Rahm the street commissioner was authorized to build a culvert in the rear of the Prothonotary's office on Water street, providing Daniel Walborn will furnish and deliver the stone necessary for the work.

On motion of Councilman Keeler, Seneca L. Arnold was appointed a special policeman to act at the west end of the Bridge during the pleasure of the council, without pay.

Bills amounting to \$459.29 were examined and approved by the finance committee, and the secretary directed to draw orders for payment. The following is a schedule of expenditures for the month of May:

CAMDEN, N. Y., May 11th, 1881.

Mr. GEO. H. WOOD:
My Dear Sir—The picture arrived this morning, and was paid for and taken in less than two seconds after it was opened. It is without doubt the finest picture of any kind in town; in fact, the finest I ever saw at any price.

I cannot compliment you sufficiently for your talent, and assure you that you will never regret the labor bestowed on this piece of work; it will be productive of other similar work from this section and to no small amount. I have no doubt that by putting it on exhibition in window I could secure you hundreds of dollars worth of work. I have compared it with former one of same subject made by you at \$15 I think, and this is very much finer.

My wife, who is a daughter of the subject, is perfectly carried away; you may consider her under obligations to you. Again thanking you, I remain, Yours, &c.
