ALEXANDER MURDOCH, of Ulster, took a twenty-one pound fleece from a merino buck one day last week.

A four year old son of GEO. CURRY, (colored) of Monroeton, died on Tuesday, from the effects of scarlet fever. The remains were brought to this place for burial, yesterday afternoon.

BRADFORD BAPTIST ASSOCIATION.—The forty-ninth annual meeting of this body will be held with the Troy Baptist Church next week Tuesday, June 21, commencing at 2 p. m. Daily sessions till Thursday noon the 23d.

The ladies of the Baptist Church will give a Strawberry and Ice Cream Festival in the store lately occupied by Powell & Co., on Friday evening, June 17. They earnestly request the patronage of the people. It has been a number of years since they made such a request and they would seem to have some claim upon the town. An admission fee of ten cents will be charged.

"Commencement Week" at Lafayette College, Easton, occurs the last of this month, June 26—30. This honored old institution possesses great interest for the people of this county from the fact that many of her graduates are filling responsible positions as ministers, lawyers and business men in our midst, one honored member of the faculty—Prof. OWEN, is a native of Bradford, and others are known and revered here. The exercises next week will be highly interesting. On Sunday evening June 26, Rev. DAVID CRAFT, Class of '57, of Wyalusing, will preach a discourse before the Christian Brotherhood.—To accommodate all who may desire to attend the exercises, the Lehigh Valley railroad will sell excursion tickets at Towanda and other stations.

THE NEW ORLEANS MINSTRELS.—A fine, large audience greeted the appearance of the minstrels at City Hall last night, and the universal expression was, the best in that line ever seen in this city. The clog dancing, the chorus singing, the quartette, the solos, both vocal and instrumental, were immense, the comicities were fresh and good, while E-flat solo playing by Mr. Benjamin was simply marvelous, he reaching G on the fourth added line above the staff, with a tone like that of a piccolo flute, and an execution corresponding. Miss Nellie Gorton rendered, as a baritone solo, "Swanee River," with artistic variations, responding to an enthusiastic encore with "Genevive," also with variations.—Mr. G. W. Frankum's clonnet solo was a brilliant rendition.—Daily Telegraph, Alton Ill.

This famous company will appear in Mercur Hall Friday evening this week.

THE CYCLOPEDIA WAR.—The Cyclopaedia War and Literary Revolution are working wonderful and happy results for the readers of books, and searchers after knowledge. The great Library of Universal Knowledge, is announced to be completed, ready for delivery to purchasers, the early part of July. It is probably the largest and most important literary work this country and the century have seen. It is based upon Chamber's Encyclopedia, the last London edition of which is reprinted entire, as a portion of its contents, a large corps of American editors and writers adding thereto a vast amount of information upon about 15,000 subjects, in every department of human knowledge. Chamber's Encyclopedia, whose distinguished merit is universally known, is the laborious product of

the ripest British and European scholarship, but being a work of foreign production it has been naturally deficient in its adaptation to the wants of American readers. In this new form it is most thoroughly Americanized, and becomes at once the largest and most complete encyclopedia in the field, at a mere fraction of the cost of any similar works which have preceded it, containing about 10 per cent. more matter than Appleton's Encyclopedia, at less than one-fifth its cost, and 20 per cent. more than Johnson's Cyclopaedia at a little more than one-fourth its cost.

The superlative value and importance of this great Encyclopedia, however, lies especially in the fact that it is brought within the reach of every one who aspires after knowledge and culture. It is really a Library of Universal Knowledge. It brings a liberal education easily within the reach of every plow-boy. Every farmer and every mechanic owes it to himself and to his children that such a Cyclopaedia shall henceforward form a part of the outfit of his home. To the intelligent man in every walk in life, a Cyclopaedia is indispensable. It is issued in various styles, in 15 large beautiful octavo volumes, varying in price from \$15 for the edition in cloth, to \$25 for the edition in library sheep binding. Liberal discounts even from these extraordinary prices are allowed to clubs and the publishers. Besides they propose during the next two months to distribute \$10,000 cash, in special rewards to persons who forward clubs of five ten, or more subscribers. The American Book Exchange, 764 Broadway, New York, are the publishers, who will send sample pages and full particulars, free, on request.

Our popular artist, G. H. WOOD, is gaining a reputation for excellence of work which is making Towanda famous. He received the following flattering letter on Saturday from a delighted customer:

CAMDEN, N. Y., May 11th, 1881.

Mr. GEO. H. WOOD:
My Dear Sir—The picture arrived this morning, and was paid for and taken in less than two seconds after it was opened. It is without doubt the finest picture of any kind in town; in fact, the finest I ever saw at any price.

I cannot compliment you sufficiently for your talent, and assure you that you will never regret the labor bestowed on this piece of work; it will be productive of other similar work from this section and to no small amount. I have no doubt that by putting it on exhibition in window I could secure you hundreds of dollars worth of work. I have compared it with former one of same subject made by you at \$15 I think, and this is very much finer.

My wife who is a daughter of the subject, is perfectly carried away; you may consider her under obligations to you. Again thanking you, I remain,
Yours, &c.
A. C. WOODRUFF.

CREDIT TO WHOM CREDIT IS DUE.—A notice having appeared in the last Argus to the effect that the plumbing at the poor house was done by a Mr. TATE, Commissioner HURST makes a correction in the following card:

The plumbing at poor house was done under the direction of Edward Williams, of Towanda, and those employed by him, and is entirely satisfactory so far.

J. W. HURST, Commissioner.
If the plumbing at the poor house reflects credit upon any one, Mr. WILLIAMS, who had the contract, is entitled to it, and it is hardly fair in our cotemporary to cheat him out of it
