The pastor and ladies of the Baptist Church desire to express their sincere thanks to the people of Towanda for the very generous patronage and encouragement extended to them at their festival Friday evening, and for numerous donations received on the occasion. The receipts netted about \$60.

In a recent letter to the *Irish World* DANIEL CULLINAN of this place says:

Enclosed are \$30 for the Land League from Towanda Branch. Our officers are: Arthur Burchill, Pres.; Vice Pres., Wm. Walsh; Rec. Sec., Jas Kelly; Fin. Sec., Dominick Patinato; Treas., Daniel Cullinan. We have 40 members, and intend to hold a public meeting in the interest of the League in a few weeks. Let there be no compromise with Landlordism. Down with it! We dont want to do away with 10,000 landlords and then create 600,000 landlords. We want the land for the whole people, not for a class, and nothing else will satisfy us.

STILL ON HIS TRAVELS.—We take the following notice of Capt. ZOWISKA, who spent last winter in the jail here, from the *Bridgeport* (Conn.), *Standard*, of June 10:

A representative of the *Standard* was talking with Chief Marsh this morning when a curious looking figure entered. He might have sat for a picture of Santa Klaus. His face was covered with a long white beard above which a pair of bright eyes looked out from a ruddy face. His partly curling hair was down his neck under the margin of a peaked straw hat, and partly hidden by his beard he wore a red muffler. The rest of his clothing was the worse for wear. In his hands he carried a bundle of newspapers. He was smaller than the well known expressman Mr. Swan, but looked very much like him in the face. He had a curious story to tell in answer to the questions of the newspaper man. He declined to talk in anything but English to Chief Marsh, saying he talked that best, having forgotten all other languages. In brief his story was this. His name was Captain Zoak and he was born in 1791 at Warsaw, Poland, and was sent to a military school at the age of fifteen. He served in the army of the First Napoleon and passed through the terrible march from Moscow, and fought in many of the battles of history in which the "Little Corporal" won his fame as a soldier and nearly made himself master of Europe. He came to this country in 1851 and served four years in the Union against the South. Since then he has been drifting about the country. He has a wife in Paris, who is seventy-five years old, and two sons who are also living in Paris. He was very cheerful and good tempered in conversation but showed some signs of irritation when one discrepancy in his story was pointed out. He said his youngest son was twenty-nine years old, whereas he had not seen his wife since 1848, three years before he came to this country. He could not be induced to see that there must be some mistake and said his questioners were all against him because he was from Europe. In all other respects his story was consistent. His appearance was that of a man about sixty-five years old, and it was difficult to believe that he could possibly be ninety. He is now on his way from Minnesota to New Haven, and from there to Boston, where he has friends. He has been four months on the road. He spoke of Carl Schurz and evidently had not heard that he had recently become one of the editors of the *New York Evening Post*, as he looked incredulous when the newspaper man mentioned the fact. He said he guessed the newspapers would tell a different story. He said his time would be out November 17, so he could get his naturalization papers and then he intended to go to Paris and rejoin his family, from whom he had heard about once in three months. If he is really ninety years old and is getting out his naturalization papers, he must think of living some time longer.

Our popular artist, G. H. WOOD, is gaining a reputation for excellence of work which is making Towanda famous. He received the following flattering letter on Saturday from a delighted customer:

CAMDEN, N. Y., May 11th, 1881.
Mr. Geo. H. Wood:

My Dear Sir—The picture arrived this morning, and was paid for and taken in less than two seconds after it was opened. It is without doubt the finest picture of any kind in town; in fact, the finest I ever saw at any price.

I cannot compliment you sufficiently for your talent, and assure you that you will never regret the labor bestowed on this piece of work; it will be productive of other similar work from this section and to no small amount. I have no doubt that by putting it on exhibition in window I could secure you hundreds of dollars worth of work. I have compared it with former one of same subject made by you at \$15 I think, and this is very much finer.

My wife, who is a daughter of the subject, is perfectly carried away; you may consider her under obligations to you. Again thanking you, I remain, Yours, &c.
A. C. WOODRUFF.

CREDIT TO WHOM CREDIT IS DUE.—A notice having appeared in the last *Argus* to the effect that the plumbing at the poor house was done by a Mr. TATE, Commissioner HURST makes a correction in the following card:

The plumbing at poor house was done under the direction of Edward Williams, of Towanda, and those employed by him, and is entirely satisfactory so far.
J. W. HURST, Commissioner.

If the plumbing at the poor house reflects credit upon any one, Mr. WILLIAMS, who had the contract, is entitled to it, and it is hardly fair in our cotemporary to cheat him out of it

This remedy is something new, both as to name and composition. This is one of the wonders of the world. This Syrup, I claim, is better and more effective than any other ever offered to the people of America or any other country, and what I say of this I can prove. This Syrup, like the Pills, is harmless and safe. It contains no opium or other narcotic poison, like the most Syrup, and is not disagreeable to take. Any child will take it. And it will cure any and all inflammations arising from Cold. It is superior to all others in every respect and especially for the following reasons:
