C. L. TRACY has just purchased from MCINTYRE & SPENCER an elegant four-passenger phaeton, of their own manufacture. The carriage is creditable to the makers and does honor to their skill and workmanship. Mr. TRACY deserves praise for patronizing home manufacturers, and we have no doubt he has got a better job than the high-priced city factories would have given him.

S. W. BUCK of LeRaysville was a caller at this office yesterday. His friends are urging him to become a candidate for county commissioner on the democratic ticket. He would make an excellent officer, but as Mr. RANSOM has given entire satisfaction and the party don't stand much of a show of electing but one commissioner, we opine WILS will have to wait a more convenient occasion.

Our enterprising fashionable tailor F. P. GRADY, gave his faithful apprentice, Mr. J. T. SMITH, a flattering evidence of his valuable service, the other evening by the presentation of a watch and chain. Mr. SMITH completed his apprenticeship on Saturday. The following is handsomely engraved on the inside of the case: "Presented by F. P. GRADY to J. T. SMITH, June 18th, 1881." The valuable present also bears testimony to Mr. GRADY's prosperity.

We find in the San Antonio, (Texas), daily *Express* of May 29th, the following very complimentary resolutions in regard to the removal from that post of Dr. A. L. BUFFINGTON, U. S. A. Surgeon. The Doctor resided here with Col. EDWARDS' family when a boy and was one of the first students at the Susquehanna Collegiate Institute. He is a brother of Mrs. L. B. RODGERS and has many friends in Towanda who will be pleased to hear of his popularity:

At a meeting of the citizens of Rio Grande City, Texas, on May 11, 1881, the following preamble and resolutions were adopted:

WHEREAS: The removal of A. L. BUFFINGTON, M. D., A. A. S., U. S. A., from Fort Ringgold, Texas, in compliance with military orders, presents a suitable opportunity to express the esteem we have for the doctor, his benevolence as a physician and gentleman. He has been a resident among us for upwards of seven years.

His departure from our midst is deeply regretted by the citizens of Rio Grande City, who feel they are losing a friend who was always ready to assist the afflicted.

We do most sincerely trust the loss of our friend and benefactor will be to his advantage professionally and otherwise.

Resolved, That the secretary of this meeting be instructed to transmit a copy of these preambles and resolutions to A. L. BUFFINGTON, M. D., also that the same be published in San Antonio papers and Army and Navy Journal.

There will be a boat race for the championship of the Susquehanna Boat Club, on Saturday evening at 7 o'clock from bridge to bridge.

Have you noticed those handsome windows at C. F. Cross' book store? If not, go there and inspect them; then do thou likewise by decorating your transom and side lights around your front door, or a bath room window, or perhaps an office window, or in fact any glass in store, house or office that needs shading from the sun, and still receive the benefit of all the light. Many of our citizens are availing themselves of an inexpensive and handsome decoration, by using "Lum Smith's Imitation Stained Glass," for which we have the exclusive agency of Northern Pennsylvania, and a great variety of patterns on hand testify to the fact that we can please any who may favor us with calls in that line.

Mr. W. H. WITTER, representing J. AUSTIN SHAW, Esq., the nurseryman, of Rochester, N. Y., is in town and will call on our citizens. He shows a magnificent lot of illustrations of his stock, many of them varieties controlled by the firm, and his testimonials prove both himself and his employer worthy of every confidence. We commend him to the public and trust many may deem it wise to purchase from him.

When you're down town drop in and try a dish of the celebrated ice cream at Titus' confectionery store. It can't be beat. They also have elegant Florida oranges, lemons, pine apples and bananas constantly on hand. Give them a call.
