The *Quarterly Record* is the title of a little monthly, devoted to the interests of the Canton Graded School and published in that enterprising village.

A little four years old in the Third Ward when told that his papa was a lawyer indignant "denied the soft impeachment," saying, "papa is not a lawyer; he's a Democrat."

The particular attention of dealers in fire arms is directed to the following wholesome law passed by the last legislature:

Any person who shall knowingly and willfully sell or cause to be sold to any person under sixteen years of age, any cannon, revolver, pistol, or other such deadly weapon, or who shall knowingly and willfully sell, or cause to be sold to any such minor any imitation or toy cannon, revolver or pistol, so made, constructed or arranged as to be capable of being loaded with gun powder or other explosive substance, cartridges, shot, slugs or balls, and being exploded, fired off and discharged and thereby become a dangerous or deadly weapon, or who shall knowingly and willfully sell or cause to be sold, to any such minor, any cartridges, gunpowder or other dangerous and explosive substance, shall in every case be guilty of a misdemeanor and upon conviction thereof shall be sentenced to pay a fine not exceeding three hundred dollars.

THE CENTURY CO.—The name of the corporation formerly known as Scribner & Co., (publishers of *Scribner's Monthly*, *St. Nicholas*, "The Spiritual Songs Series" of hymn and tune books, "Songs for the Sanctuary," etc.) has now been changed to The Century Co. The title of *Scribner's Monthly* will become *The Century*, with the next volume. *St. Nicholas* is slightly changed as to its subtitle, being now *St. Nicholas, an Illustrated Magazine for Young Folks*. The July numbers of these magazines are the first to bear the new corporate imprint.

Scribner for July contains a paper of special and timely interest, "The People's Problem," in which the writer takes the ground the the time has come for the people of this country to exercise their right to "alter the government."

Besides a wealth of literary and illustrated matter, there are also, in this number, the concluding chapters of two brilliant novelettes, "Madame Delphine," by George W. Cable (begun in May), and "A fearful Responsibility," by W. D. Howells (begun in June). The May, June and July numbers, containing these two complete novelettes, are offered for \$1.00.

Our usually quiet little town has experienced considerable of excitement within the past few days, on account of a "Horse show" and circus, the latter of which came off on Tuesday afternoon and evening, the circus going people pronounced it very good, some even say it was better than the big one in Towan-

da and Troy; quite a compliment for our little town. Well, we always did have a great idea of excelling our big "sister villages" some time, and now we think we are on the road to fame.

Our sympathies were quite excited the morning of the show, by hearing a bachelor friend lamenting over his misfortune on not being able to attend the show, as he would have to go alone and that would be so lonesome. Our heart ached for him in his loneliness, and were it possible for us to secure some sweet loving being. (even at this late hour,) to cheer his lonely hours and attend circuses with him, how gladly we would do it, but as charity begins at home, perhaps it would be well for us to secure the sweet little darling for ourselves.

Our popular artist, G. H. WOOD, is gaining a reputation for excellence of work which is making Towanda famous. He received the following flattering letter on Saturday from a delighted customer:

CAMDEN, N. Y., May 11th, 1881.

MR. GEO. H. WOOD: My Dear Sir—The picture arrived this morning, and was paid for and taken in less than two seconds after it was opened. It is without doubt the finest picture of any kind in town; in fact, the finest I ever saw at any price.

I cannot compliment you sufficiently for your talent, and assure you that you will never regret the labor bestowed on this piece of work; it will be productive of other similar work from this section and to no small amount. I have no doubt that by putting it on exhibition in window I could secure you hundreds of dollars worth of work. I have compared it with former one of same subject made by you at \$15 I think, and this is very much finer.

My wife, who is a daughter of the subject, is perfectly carried away; you may consider her under obligations to you. Again thanking you, I remain, Yours, &c.

HOMOEOPATHIC LUNG SYRUP.

This remedy is something new, both as to name and composition. This is one of the wonders of the world. This Syrup, I claim, is better and more effective than any other ever offered to the people of America or any other country, and what I say of this I can prove. This Syrup, like the Pills, is harmless and safe. It contains no opium or other narcotic poison, like the most Syrup, and is not disagreeable to take. Any child will take it. And it will cure any and all inflammations arising from Cold. It is superior to all others in every respect and especially for the following reasons:

- 1st. It will cure Croup every time.
- 2d. It will cure Inflammation of the Lungs.
- 3d. It will cure Quinsy.
- 4th It will cure Whooping Cough.
- 5th It will cure Bronchitis.
- 6th It will cure Hoarseness.
- 7th It will cure Sore Throat.
- 8th It will cure any Cold.
- 9th It will cure Congestion of the Lungs.
- 10th It will cure any Cough.
- 11th It will cure Scarlet Fever.
- 12th. It is the best remedy that any one can take for Consumption, and if taken in the first stage I will guarantee a cure.
- 13th. It is perfectly safe for all ages as there is nothing in its composition that can harm a child.
