Miss HELEN NEVENS, of Towanda, Pa. is a guest of her brother, W. S. NEVENS, of this village.—*Waverly Review.*

Col. J. H. HORTON, of Ithica, was in town Saturday, en route to Laport to join his wife who has been visiting Doctor COLT's family there for some time.

Mr. HAGERMAN of Asylum, has sold his fine pair of Canadian horses to LORMORE & TOMPKINS of Elmira, for a dray team.

E. W. ELWELL has purchased GEO. ARMSTRONG'S dray and team, and now employs three teams in his local express and draying business.

Judge MERCUR, of the Supreme Court, who has been holding court in Harrisburg for the past two months, came home Saturday evening, the court having taken a recess until October.

Mr. OTTARSON, the upholster finding that work comes in faster than he can do it, has secured Mr. W. H. WYATT, lately with ROBINSON & SONS, Elmira. He is a first-class workman.

Rev. B. J. DOUGLASS is spending his summer vacation in Montrose. His many friends in Towanda hope to have the pleasure of seeing and hearing him before he returns to his parish in Delaware.

Hon. Jos. G. PATTON has a new gold watch and this is the way he came to have it. When his nephew, W. P. GRIFFITHS entered the University of Pennsylvania as a medical student, Mr. PATTON told him if he graduated with honor he would give him his watch and \$50 in money. The young gentleman fulfilled his part of the contract and JOSEPH was as good as his word. As soon as he received information that the examination had been satisfactorily passed, he promptly forwarded the watch and a check for the money. That is the reason he went to ED MOUILLESSEUX'S and bought himself a handsome new gold watch.

The most sleek looking, well groomed, handsome pair of draught horses ever seen on our streets, is JAMES VANDYKE'S sorrel team.

The boat race advertised to come off Saturday evening, proved to be a "tub race." The contestants were, ELIAS HALE, GEO. RYAN, ARTHUR WELLES and JAS. HUMPHREY. The race attracted a large assemblage of people. The boys were upsed several times on the voyage. HALE won the race.

Rev. C. T. HALLOWELL, of the Baptist Church, and Rev. C. H. WRIGHT, of the M. E. Church, exchanged pulpits yesterday morning.

How pleasant a thing 'tis to see  
Brethren dwell together in unity.

The congregation of Christ Church having made a liberal contribution to aid their former beloved rector, Rev. B. J. DOUGLASS, in paying off a debt on his church in Georgetown, Delaware, he requests us through the columns of the REVIEW to tender his sincere thanks for the valuable and timely assistance rendered his parish.

**A DISPUTED HONOR.**—Two simultaneous dispatches have been received by Prof. Swift of the Warner Observatory at Rochester, N. Y., by which it appears that another great comet has been discovered. Prof. Sharpless of Haverford College, Pa., states that L. T. Edwards saw it with the naked eye on the morning of June 23, and Mr. Edgar L. Larkin, of New Windsor, Ill. also reports seeing it and that it is vast. It seems probable that the tail is not less than 15 deg. in length while the head is as bright as Jupiter. The new comet is located in the constellation of Auriga about 8 degrees from Capella, and it is not improbable that it may be the much expected comet of 1812 which should appear not far from that locality. As the two dispatches were received in Rochester simultaneously there is some question as to whether the honor of discovery, and the Warner prize of \$200 belong to Mr. Edwards or Mr. Larkin.

A pleasant room suitable for the accommodation of two persons, together with board, at E. McIntyre's boarding house. 1w.

**IMPORTANT TO TRAVELERS.**—Special inducements are offered you by the BURLINGTON ROUTE. It will pay you to read their advertisement to be found elsewhere in this issue.

**WEATHER INDICATIONS FOR TO-DAY.**—Slightly warmer and fair; winds mostly southerly; stationary or falling barometer.

It is stated that the comet observed in various places in the United States, is not the one discovered recently at the observatory in the Argentine Republic, so that there are two large brilliant comets visible at the same time from one continent, a phenomenon probably unequalled in astronomical history.

Bradford county is the first in the field to choose delegates to the next Republican State Convention, with instructions for State Treasurer. The choice of Bradford is Senator W. T. Davies, who was one of the most conspicuous figures in the contest over the United States Senatorship at Harrisburg last winter, and who has a clear record as an honest and able legislator.—*Philadelphia Press.*

### "Fountain" Tobacco, at Fitch's.

When you're down town drop in and try a dish of the celebrated ice cream at Titus' confectionery store. It can't be beat. They also have elegant Florida oranges, lemons, pine apples and bananas constantly on hand. Give them a call.

Mr. W. H. WITTER, representing J. AUSTIN SHAW, Esq., the nurseryman, of Rochester, N. Y., is in town and will call on our citizens. He shows a magnificent lot of illustrations of his stock, many of them varieties controlled by the firm, and his testimonials prove both himself and his employer worthy of every confidence. We commend him to the public and trust many may deem it wise to purchase from him.

Have you noticed those handsome windows at C. F. Cross' book store? If not, go there and inspect them; then do thou likewise by decorating your transom and side lights around your front door, or a bath room window, or perhaps an office window, or in fact any glass in store, house or office that needs shading from the sun, and still receive the benefit of all the light. Many of our citizens are availing themselves of an inexpensive and handsome decoration, by using "Lum Smith's Imitation Stained Glass," for which we have the exclusive agency of Northern Pennsylvania, and a great variety of patterns on hand testify to the fact that we can please any who may favor us with calls in that line.
