Have you noticed those handsome windows at C. F. Cross' book store? If not, go there and inspect them; then do thou likewise by decorating your transom and side lights around your front door, or a bath room window, or perhaps an office window, or in fact any glass in store, house or office that needs shading from the sun, and still receive the benefit of all the light. Many of our citizens are availing themselves of an inexpensive and handsome decoration, by using "Lum Smith's Imitation Stained Glass," for which we have the exclusive agency of Northern Pennsylvania, and a great variety of patterns on hand testify to the fact that we can please any who may favor us with calls in that line.
