State Treasurer.

The only office to be filled this fall is that of State Treasurer, and both parties will strive hard for the prize. Of course everything being equal the Republicans stand the best show, as the State is undoubtedly Republican by a handsome majority, and can be safely relied upon by that party when great State or National issues are at stake, but this year the canvass will to a great extent be divested of purely political interest, and the party that wins must present a candidate whose personal fitness and past public record are above suspicion.

The Republicans of this county have presented a candidate for State Treasurer, who is not only popular where he is personally known, but has made a record as State Senator, of which the people of the whole State are proud. He has been on the right side of every important question brought before the Legislature, and by his bold advocacy of the right, as he has seen it, has won the esteem even of his opponents. He is a careful, systematic business man and the duties of the office would be carefully and honestly discharged by him.

Another important item to be considered, is the fact that Senator DAVIES is one of the most effective speakers in the State, and could make a personal canvass of great value to the party.

The REVIEW is not an organ, but we most sincerely hope the Republican convention may nominate Mr. DAVIES; and we promise him the hearty support not only of this paper but of his entire party and many warm personal friends outside of it in the Northern Tier.

A race which will doubtless attract immense interest is being arranged to take place on the Coney Island Jockey Club Course during the spring meeting of 1883. The conditions are: For 3-year-olds, \$500 entrance, half forfeit, with \$20,000 added by the Coney Island Jockey Club, distance one mile and five furlongs, Messrs. James R. Keene, Pierre and Geo. L. Lorillard, D. D. Wethera, Augusta Belmont, the Dwyer Brothers and several other prominent turfmen are already subscribers. Among the Dwyer Brothers' entries is the brother of Luke Blackburn, purchased at the recent Belle Meade sale. The presumption is that the stake will amount to nearly \$50,000.

The extensive works of the Clearfield Fire Brick Company were entirely destroyed by fire Sunday morning. A serious conflagration was avoided only by the wind being favorable and the exertions of the citizens. The loss is not known, but the property was insured for \$12,500. The fire is supposed to have originated in the flues.

Bradford County is the first in the field to choose delegates to the next Republican State Convention, with instructions for State Treasurer. The choice of Bradford is Senator W. T. Davies, who was one of the most conspicuous figures in the contest over the United States Senatorship at Harrisburg last winter, and who has a clear record as an honest and able legislator.—Philadelphia Press.

The Board of Managers of the National Temperance Society, at a meeting in New York on Tuesday, adopted resolutions recognizing the pending temperance campaign in North Carolina as one of great moment to the cause of temperance in the Southern States, and urging the voters of that State, irrespective of partisan consideration, to ratify the prohibitory law enacted by the Legislature.
