The Bernice mines have been working about five days each week thus far during the summer, which shows that the demand for Loyal Sock coal is good.

The moral undertow of this community is being agitated just now. Several suits, disclosing the baser side of life have occupied the attention of our justice courts this week.

We are authorized to announce that there will be shooting on the Range on the other side of the river, below the lock, on Monday forenoon, July 4th, at a Bulls-Eye target, under the supervision of the officers of the Towanda Rifle Club. The prize match will be called at 1:30 p. m., and all who expect to compete must be on hand at that time. This match is open to all, and we hope the Club will be able to raise sufficient funds by its 4th of July shoot to fix up its range.

Mr. SEXTON, who a few years ago established the *Industrial Register*, at Blossburg, a paper devoted to the industrial interests of the country, has been compelled to abandon the project. The journal was on the road to permanent success, but, the able and indefatigable editor was unable to meet all the demands against him, and has been sold out by the Sheriff. He has sown; others will reap the harvest. In his valedictory he says:

I was unable to obtain time in order to make my collections and renewals, and the sheriff came with writs and sold me out. It is the old story; when one commenced action against the others followed in quick succession, and I was forced into a corner from whence there was no retreat. I shall go to work with a will to earn a sufficient sum to satisfy every creditor in full and I believe I shall succeed.

A very stringent law was passed by the Legislature at the heel of the session, regulating delegate elections of all political parties, which will be a heavy blow to ringsters leaders and "bossism." It prohibits the use of money, or other improper influences, at delegate elections, or nominating conventions, and parties who receive as well as those who give improper considerations for influence or votes are held to a strict accountability under its provisions—with severe penalties for a violation. Any person selling his influence or vote to aid in the nomination or election of any candidate subjects himself to fine and imprisonment; and so with any person who uses intimidation—by threats or otherwise—to prevent voter's will. The law, general in its provisions, embraces a number of sections, but the first, which is all we have room for at present, will give its general character and is here appended:

Be it enacted, etc., That hereafter if a candidate for any office within this Commonwealth shall directly or indirectly give, offer or promise to give, or procure to give to any elector any gift or reward, in money, goods or other valuable thing, or any office, emolument or employment on condition expressed or implied that such electors shall cast, give, retain or withhold his vote or use his influence at a nominating election or delegate election, or cast, give or substitute another to cast or give his vote or use his influence at a nominating convention for or against the nomination of any particular candidate for nomination so as to procure such person to be voted for at any election to take place, the person so hiring, procuring, influencing, abetting, endeavoring or offering either directly or indirectly through others, their aiders or abettors to procure the person to be voted for by such electors, shall be guilty of a misdemeanor, and on conviction shall be sentenced to pay a fine not exceeding \$300 and be imprisoned for a period not exceeding three months.

CAMDEN, N. Y., May 11th, 1881.

MR. GEO. H. WOOD:  
My Dear Sir—The picture arrived this morning, and was paid for and taken in less than two seconds after it was opened. It is without doubt the finest picture of any kind in town; in fact, the finest I ever saw at any price.

I cannot compliment you sufficiently for your talent, and assure you that you will never regret the labor bestowed on this piece of work; it will be productive of other similar work from this section and to no small amount. I have no doubt that by putting it on exhibition in window I could secure you hundreds of dollars worth of work. I have compared it with former one of same subject made by you at \$15 I think, and this is very much finer.

My wife who is a daughter of the subject, is perfectly carried away; you may consider her under obligations to you. Again thanking you, I remain,  
Yours, &c.  
A. C. WOODRUFF.

## HOMOEOPATHIC LUNG SYRUP.

This remedy is something new, both as to name and composition. This is one of the wonders of the world. This Syrup, I claim, is better and more effective than any other ever offered to the people of America or any other country, and what I say of this I can prove. This Syrup, like the Pills, is harmless and safe. It contains no opium or other narcotic poison, like the most Syrup, and is not disagreeable to take. Any child will take it. And it will cure any and all inflammations arising from Cold. It is superior to all others in every respect and especially for the following reasons:

- 1st. It will cure Croup every time.
- 2d. It will cure Inflammation of the Lungs.
- 3d. It will cure Quinsy.
- 4th It will cure Whooping Cough.
- 5th It will cure Bronchitis.
- 6th It will cure Hoarseness.
- 7th It will cure Sore Throat.
- 8th It will cure any Cold.
- 9th It will cure Congestion of the Lungs.
- 10th It will cure any Cough.
- 11th It will cure Scarlet Fever.
- 12th. It is the best remedy that any one can take for Consumption, and if taken in the first stage I will guarantee a cure.
- 13th. It is perfectly safe for all ages as there is nothing in its composition that can harm a child.
