Wyalusing is still without a paper. Mr. KINSLOE, of Hughesville, the last candidate not occupying the field. It is a good point among an intelligent people and we fail to see why any wide-awake young man may not make a success of it.

The Fiction department of the Towanda Library has received from Mrs. HENRY MERCUR, several useful additions, and the Committee are very grateful for her thoughtfulness. The title of these novels will be given with the next book-list.

Many lovers of food-fish have been alarmed at the presence of worms just under the skin in the black bass taken this season, but Prof. BAIRD of the Fish Commission, says they are worth minding. CHARLEY LANG, says he examined a number of bass the other day and found them all infested.

ZERA and LA CARDO, the famous magicians and ventriloquists, who are to commence a series of entertainments in Mercur Fall this evening, give away silver ice pitchers, cesters, butter coolers, cake stands, silver watches, sugar baskets, pickle stands, celery holders, knives and forks. Fifty presents; no more, no less. Count them and do not be deceived.

Our venerable friend WM. BUNYAN, of Granville, is experiencing the truth of the old adage, "It never rains but it pours." Only a few weeks ago his son FRANK sustained an injury which soon after caused his death; then the old gentleman was himself prostrated by paralysis, depriving him of the power of speech and locomotion, and then, to fill his cup of affliction to overflowing, his good wife was on Friday stricken with apoplexy, rendering her helpless. "Whom the Lord loveth he chasteneth."

FRISBIE RE-UNION.—The Frisbie family who were among the earliest settlers of Orwell, held a family re-union July 4th, at the farm of A. G. FRISBIE Esq., about one mile east of the village. The day was not only our national birthday, but the eightieth birthday of Hon. ZEBULEN FRISBIE. His brother LEVI, who is eighty-three being present. These two honored and venerable citizens, together with their wives, their sons, son-in-law, families, and the families of their brother, CHAUNCEY, and sisters LAURA and CATHARINE, who are deceased, making up a company numbering nearly one hundred, assembled in the spacious and shady lawn. After the table had been cleared, Hon. E. N. FRISBIE, of Elmira, having been elected to toast-master for the occasion, called out one and another of the numerous FRISBIES, (having four generations to select from) and by his happy manner succeeded in obtaining much information regarding the clan, their history, characteristics, and present habitations, by his happy faculty. The "feast of reason and flow of soul" made the afternoon one of the greatest hilarity, long to be remembered by those present, who were unanimous in pronouncing it one of life's brightest days, and parting with promises of future gatherings. Of course all members of the family living in Orwell were present, together with the following gentlemen and families from abroad: Hon. E. N. FRISBIE and J. A. FRISBIE Esq., of Elmira; S. Y., W. E. FRISBIE, Esq., of Mauch Chunk; S. M. LINE, of Pittston; A. C. FRISBIE, O. G. FRISBIE, C. D. HUMPHREY and the children of I. B. HUMPHREY, of Towanda.—*Republican.*

A PATRIOTIC PRIEST.—Father CUMMISKY, of Hazelton issued the following card on Sunday last. It betokens a tender, patriotic heart. The Reverend gentleman's father resides in this place.

A CARD.

St. GABRIEL'S CHURCH, July 3.—Oppressed by last night's postive assurance of a national calamity in the loss of our beloved President. I announced in the different churches that the usual Fourth of July picnic would not be held this year, as being unseemly and out of harmony with a Nation's tears. The dispatches received this afternoon, however, make his recovery more than probable, and afford us an occasion for sincere and heartfelt rejoicing. I take this means therefore, of announcing to the congregation at large that in common with all other patriots throughout the length and breadth of the land we will enjoy ourselves to-morrow to our heart's content by one of the most sociable and pleasurable picnics we have ever held. As previously announced, it will be held on the old grounds on the Harleigh road, near the Diamond Addition.

J. J. COMMISKEY.

July 7. Mrs. HOUSTON.

A CARD.—A report having obtained to the effect that I made unfeeling remarks on hearing the announcement of the shooting of the President, I desire publicly to deny any intention of speaking with disrespect on the occasion, neither have I any recollection of indulging the language attributed to me. I feel as much sorrow over the melancholy event as any one, and if I have thoughtlessly said anything conveying a different impression, I sincerely regret and recall the language.

JAS. KIRWIN.

Have you noticed those handsome windows at C. F. Cross' book store? If not, go there and inspect them; then do thou likewise by decorating your transom and side lights around your front door, or a bath room window, or perhaps an office window, or in fact any glass in store, house or office that needs shading from the sun, and still receive the benefit of all the light. Many of our citizens are availing themselves of an inexpensive and handsome decoration, by using "Lum Smith's Imitation Stained Glass," for which we have the exclusive agency of Northern Pennsylvania, and a great variety of patterns on hand testify to the fact that we can please any who may favor us with calls in that line.

CAMDEN, N. Y., May 11th, 1881.

MR. GEO. H. WOOD:

My Dear Sir—The picture arrived this morning, and was paid for and taken in less than two seconds after it was opened. It is without doubt the finest picture of any kind in town; in fact, the finest I ever saw at any price.

I cannot compliment you sufficiently for your talent, and assure you that you will never regret the labor bestowed on this piece of work; it will be productive of other similar work from this section and to no small amount. I have no doubt that by putting it on exhibition in window I could secure you hundreds of dollars worth of work. I have compared it with former one of same subject made by you at \$15 I think, and this is very much finer.

My wife, who is a daughter of the subject, is perfectly carried away; you may consider her under obligations to you. Again thanking you, I remain, Yours, &c.

DR. A. E. BURR'S

HOMOEOPATHIC LUNG SYRUP.

This remedy is something new, both as to name and composition. This is one of the wonders of the world. This Syrup, I claim, is better and more effective than any other ever offered to the people of America or any other country, and what I say of this I can prove. This Syrup, like the Pills, is harmless and safe. It contains no opium or other narcotic poison, like the most Syrup, and is not disagreeable to take. Any child will take it. And it will cure any and all inflammations arising from Cold. It is superior to all others in every respect and especially for the following reasons:

- 1st. It will cure Croup every time.
- 2d. It will cure Inflammation of the Lungs.
- 3d. It will cure Quinsy.
- 4th It will cure Whooping Cough.
- 5th It will cure Bronchitis.
- 6th It will cure Hoarseness.
- 7th It will cure Sore Throat.
- 8th It will cure any Cold.
- 9th It will cure Congestion of the Lungs.
- 10th It will cure any Cough.
- 11th It will cure Scarlet Fever.
- 12th. It is the best remedy that any one can take for Consumption, and if taken in the first stage I will guarantee a cure.
- 13th. It is perfectly safe for all ages as there is nothing in its composition that can harm a child.
