A friend in the West, who has been taking the REVIEW for its past year writes:

Your daily REVIEW has been very satisfactory, and a means of correct information as to the events transpiring in Towanda and its surroundings, and has been the next thing to an old friend to us in our absence.

Truly yours,

S. C. N.

The additional mail service between Sugar Run and Browntown ordered by the P. O. Department on recommendation of Col. E. OVERTON, went into operation on the first of July. A mail twice a day is appreciated by the people of Wilmot, as their chief village is now placed in direct communication with the outer world. J. P. ELY is the faithful and trusted messenger.

Liberty Corners.

The people of Liberty Corners enjoyed their last Quarterly Meeting, (for this Conference year) on the 10th instant, although the warmest of the season and almost unendurable on account of the heat, still the church was well filled with an appreciative audience. In consequence of necessary absence of Presiding Elder, Willber, the pulpit was well and ably filled by Rev. C. H. Wright, of Towanda, the singing was excellent, the choir being composed of the musical talent of Liberty Corners and Frenchtown. Rev. S. A. Chubbuck was also present and assisted in the services. This being his third, and we regret to say his last year, with us. He has labored well and faithful with us during the three years we have been permitted to enjoy his company as a minister and a friend, and we can truthfully say, none have ever been more faithful in the discharge of every known duty, than he and his excellent wife.

In musical talents Mrs. C. has few equals and she will be sadly missed from our choir as well as in many other capacities she has served in.

We hope their new field of labor may be a pleasant one, and their untiring devotion and zeal in the Master's cause may yield a bountiful harvest.

SYRACUSE, N. Y., July 16, 1881.

DAILY REVIEW—Business is booming—Building is noticeable all over the city.

The city authorities are repairing many of the principal streets with Medina sand stone. The Wykoff or Nicholson streets are horrid hard on horses and wagons. All who seek pleasure in carriages or on horse-back are joyful.

There have been several attempted suicides and one or two successful ones here of late.

Three persons were drowned in Onondaga lake two weeks ago last Sunday; two girls of stunted character and a young man who was clerk in one of our leading dry goods houses—a warning to those who desecrate God's holy day.

A horse had his foot crushed yesterday by the cars. The driver got too close to the engine and a thill caught in one of the drive wheels, throwing the animal, a noble beast, to the ground, one foot laying on the track which was run over. The poor creature was shot to end its misery.

The dead-lock is broken. Miller was elected to-day. Hope Lapham will be elected also. Conkling's balloon is "busted." Glad of it! Great joy is manifest here on account of our dear President's prospects of recovery.

Dr. Dorsey W. Brown is in the city and will take charge of the writer's practice while he spends a week or two in and about Wyandot, principally about where black bass do congregate.

Sam Adams has removed his coal yard nearer the center of the city. Mr. A. looks a little round shouldered, but no doubt will come to the top as he is of correct habits and a most enterprising business man.

MR. GEO. H. WOOD:

My Dear Sir—The picture arrived this morning, and was paid for and taken in less than two seconds after it was opened. It is without doubt the finest picture of any kind in town; in fact, the finest I ever saw at any price.

I have no doubt that by putting it on exhibition in window I could secure you hundreds of dollars worth of work. I have compared it with former one of same subject made by you at \$15 I think, and this is very much finer.
