ANOTHER OLD CITIZEN DEAD.—WILLIAM MIX, Esq., one of the oldest, most widely known and highly respected citizens of this borough, quietly passed away at half-past ten o'clock yesterday morning, after a lingering illness, aged nearly 72 years.

Mr. MIX was the eldest son of the late Col. HIRAM MIX, and was born in Wysox township August 8, 1809. He removed with his father to this place while a boy, and for some time was employed in his father's store. He was also engaged with his father staging and mail contracting on the route between Elmira and Wilkes-Barre. When the Croton water works were constructed for the City of New York, himself and the late DANIEL SEARLE, of Montrose, were associated in a large contract on the job. Since then he has lived quietly in this place, occupying the paternal homestead. He took but little interest in politics, but was frequently chosen to fill positions of honor and trust in the borough government. He had served very efficiently as postmaster for many years, and was re-elected to the office last winter.

In January 1842 Mr. MIX was married to Miss ANGELIQUE PREVOST, with whom he had ever since lived happily. Two children were born to them and with the mother survive him. Mr. MIX was devotedly attached to his family and his home has always been one of the pleasantest and most attractive in Towanda, and his death will be a severe and trying blow to his bereaved wife and children.

Mr. MIX had apparently been a remarkably healthy man until the last few years, and gave but slight perceptible evidence of decline until last winter. He was confined to his room for several months, but his death was not the result of organic disease, but a gradual giving way of the vital system.

The immediate family of the deceased are his widow and two children, JOHN W. MIX, Esq., and Mrs. M. M. SPALDING. He also leaves one brother and four sisters, Mr. HARRY MIX, Mrs. Doctor HUSTON, Mrs. D. F. BARSTOW, Mrs. Col. MEANS and Mrs. JOSEPH KINGSBURY, all of whom reside here.

The funeral will take place at 5 o'clock tomorrow afternoon from the family residence.

The President.

We are most happy in being able to announce this morning that the rumor sent over the country yesterday afternoon to the effect that the President was much worse was unfounded. The official bulletin of last evening and the dispatches during the night are very encouraging, and indicate that he is certainly regaining what he lost in the relapse of Saturday.

WASHINGTON July 25, 7 P. M.—The President has done well during the day. At the dressing of the wound, after the morning bulletin was issued, a displaced spiculum of broken rib about half an inch long was removed. The track of the wound at this point was dilated and a large drainage tube inserted for the purpose of facilitating the discharge of pus. Since that time he has had several quiet naps and taken more nourishment than on any of the last five days, and without gastric irritation. When the wound was dressed this evening, the discharge of healthy pus was satisfactorily abundant. At noon his pulse was 105, temperature 98.4 and respiration 19. At 7 p. m. his pulse was 104, respiration 22, temperature 100.7.

We are constantly receiving orders for "Lum Smith's Imitation Stained glass," and are ready to give our patrons the full benefit of an inexpensive and handsome decoration by placing it on any glass whether door or window, large size or small glass, green or white, round or square, in fact any position, shape or kind of frame or glass that needs shading from the rays of the sun, or from the gaze of inquisitive eyes. Thankful for the very liberal patronage bestowed since we have received the agency of this Imitation, we shall by a strict attention to business, hoping to merit a continuance of the same. To those who have heard of the "Imitation Glass," and have not seen it, we extend a cordial invitation to examine into its real merits, and ask the prices for which it can be obtained, we are prepared to contract with churches, halls, or other public buildings, and warrant all of our work to surpass in beauty the genuine stained glass and our prices are less than one-fourth the cost of the same. Those in need of anything of this kind or who are lovers of art, whether they wish to purchase or not, are respectfully invited to examine the same at CHAS. F. CROSS' Book Store.
