Mrs. LAPORTE, of Sayre, is in town.  
Miss MATTIE MALLORY has returned from a visit in Canandaigua.  
JOHN BEAMAN is spending a day or two with his Towanda friends.  
ROBT. H. SAYRE, Chief Engineer of the L. V. R. R., is registered at the Ward House.  
Rev. GEORGE SHAFFER and wife of Moscow, Lackawanna county, are visiting their cousin, Mrs. DENNIS CLARK, in this place.  
Misses SARAH and SUE RAHM have gone to Cooperstown, N. Y., to visit Mr. JARVIS' family. They expect to be absent several days.

President PACKER and family left Sayre yesterday for the Thousand Islands, where they will occupy their pleasant cottage, "Idlewild," until the first of September.

Rev. JOHN S. BEERS having accepted a call to a Church in Massachusetts, has tendered his resignation as rector of Christ Church, to take effect the middle of September. The resignation has been accepted by the vestry.

L. C. BURT, Esq., general agent Charter Oak Life Insurance Co., is in town. He reports the Company in a prosperous condition and making rapid strides toward regaining what it lost during the financial troubles of four years ago.

Doctor EYER, of Waupaca, Wis., who married our estimable young lady friend, Miss BELLE LAMONT is now doubly happy. His good wife presented him with a beautiful girl baby on Friday last. Like most other first babies, it weighed exactly nine pounds. "Mother and baby both doing well."

Everybody can afford to go on the excursion to Watkins.

Be sure and purchase your tickets for Niagara on or before Saturday night and save 25 cts.

For the information of physicians and the public generally, we print on our fourth page the law regulating the registration of medical and surgical practitioners.

The Wyalusing M. E. Sunday School will picnic in WELLES' Grove Saturday afternoon August 6th, and give a Sunday School Exercise in the Church the same evening. Admission 10 cents.

THE DOCTORS.—The following additional registration of doctors was made yesterday: James W. Parsons, M. D., Canton boro.; New York Medical University, Feb. 13, 1880.

Volney Homet, M. D., Camptown; Jefferson Medical College, March 8, 1856. Ass't Surgeon 7th Penn. Reserves 1862 to 1864.

The largest picnic of the season was the one which visited the EILFENBERGER trout ponds yesterday, under the auspices of the M. E. Sunday School. The company numbered 500, filling eight cars, and the day was enjoyed to the fullest extent by all who participated. The receipts covered the expenses and left a handsome margin. The delightful music discoursed by Germania band was enjoyed by both old and young. No accident occurred to mar the pleasure of any one.

The managers of the Niagara Falls excursion for next Tuesday, were in Towanda yesterday to remind us again of this rare treat in store for us. Their work is being done with great care, and no expense is spared necessary to make the day one of pleasure and profit to all. The managers are perfectly reliable, all business men of Ithica, well known as upright and trustworthy dealers, so that we are perfectly safe in resting upon their representations. They promise a wonderful chance for a view of all that can be seen at Niagara Falls at the least expense of time and money. Their business reputation is at stake so we need have no fear of failure. Let no one fail to embrace this rare offer made us by these gentlemen. Come one and all! Let us on to Niagara!

The Extensive Rosery and Nursery House of R. G. Chase & Co., of Geneva, N. Y., is represented in Towanda and vicinity by Mr. J. T. MOORE, of Ithaca. This is one of the oldest and most reliable Nursery Concerns in the State of New York. Their large and increasing trade is due solely to their honorable method of doing business. Many of our best citizens will cheerfully testify to the very satisfactory manner of their dealings with them in the past, always receiving their orders in the best condition and True to name. Parties giving Mr MOORE their orders can do so with the utmost confidence. We bespeak for him a large patronage.

One of the events of the season is a grand excursion to Niagara Falls, over the P & N. Y., G. I. & S. and N. Y. Central railroads on Tuesday next, Aug. 9. Several Ithaca gentlemen have undertaken the enterprise, and offer a very attractive and cheap programme. As noticed elsewhere, the train will start from Towanda at 4 a. m., arriving at Niagara at 1 p. m., remaining there eight hours. Thus it gives ample time to see all the sights about this most magnificent and grand waterfall, the greatest wonder of the world. Soon after dark the Falls will be gorgeously illuminated by powerful electric lights. This sight alone is worth the trip. Tickets there and return are sold at the low rate of \$4.95, cheaper than staying at home.

No one should miss this opportunity of a day's ride through the garden of New York State. Every one should go and take mother, brothers, sisters and sweethearts. Although 1000 passengers are confidently expected, the managers have arranged for every comfort and convenience, and will spare no pains to make it thoroughly enjoyable and long to be remembered by those participating. Towanda should turn out at least two hundred or more.

Mr. BABCOCK, the ticket agent of the P. & N. Y. R. R. has the tickets for sale and informed us that he would carry some with him, so that they can be obtained of him without going specially to the railroad station.

Parker, the guide, who assaulted Mrs Bull, escaped from the officers last night.
