**An Act**

TO REGULATE THE REGISTRATION OF ALL PRACTITIONERS OF MEDICINE AND SURGERY.

SECTION 1. That the prothonotary of each county shall purchase a book of suitable size, to be known as the medical register of the county, (if such book has not been purchased already), and shall set apart one full page for the registration of each practitioner, and when any practitioner shall depart this life, or move from the county, he shall make a note of the same at the bottom of the page, and shall perform such other duties as are required by this act.

SEC. 2. Every person who shall practice medicine or surgery, or any of the branches of medicine or surgery, for gain, or shall receive or accept for his or her services, as a practitioner of medicine or surgery any fee or reward, directly or indirectly, shall be a graduate of a legally chartered medical college or university, having authority to confer the degree of doctor of medicine, (except as provided for in section five of this act), and such person shall present to the prothonotary of the county in which he or she resides or sojourns, his or her medical diploma, as well as a true copy of the same, including any endorsements thereon, and shall make affidavit before him that the diploma and endorsements are genuine; thereupon the prothonotary shall enter the following in the register, to wit: The name in full of the practitioner, his or her place of nativity, his or her place of residence, the name of the college or university that has conferred the degree of doctor of medicine, the year when such degree was conferred, and in like manner any other degree or degrees that the practitioner may desire to place on record, to all of which the practitioner shall likewise make affidavit before the Prothonotary, and the prothonotary shall place the copy of such diploma, including the endorsements in full, in his office, for inspection by the public.

SEC. 3. Any person whose medical diploma has been lost, shall present to the Prothonotary of the county, in which he or she resides or sojourns, a duly certified copy of his or her diploma, but if the same is not obtainable, a statement of this fact, together with the names of the professors whose lectures he or she attended and the branches of study upon which each professor lectured, to all of which the practitioner shall make affidavit before the prothonotary, after which the practitioner shall be allowed to register, in manner and form as indicated in sec. 2, of this act, and the prothonotary shall place such certified statement on file in his office, for inspection by the public.

SEC. 4. Any person, who may desire to commence the practice of medicine or surgery in this state after the passage of this act, having a diploma issued or purporting to have been issued by any college, university, society or association in another state, or foreign country, shall lay the same before the faculty of one of the medical colleges or universities of this commonwealth for inspection, and the faculty, being satisfied as to the qualifications of the applicant and the genuineness of the diploma, shall direct the dean of the faculty to endorse the same, after which such person shall be allowed to register, as required by sec. 2 of this act.

SEC. 5. Any person, who has been in the continuous practice of medicine or surgery in this commonwealth since one thousand eight hundred and seventy-one without the degree of doctor of medicine, shall be allowed to continue such practice, but such person shall nevertheless appear before the prothonotary of the county, in which he or she resides, and shall present to him a written statement of these facts, to which the practitioner shall make affidavit. Thereupon the prothonotary shall enter the following in the register, to wit: the name in full of the practitioner, his or her place of nativity, his or her place of residence, the time of continuous practice in this commonwealth and the place or places where such practice was pursued, to all of which the practitioner shall likewise make affidavit, and the prothonotary shall place the certified statement on file in his office, for inspection by the public.

SEC. 6. Every practitioner, who shall be admitted to registration, shall pay the prothonotary one dollar, which shall be compensation in full for registration, and the prothonotary shall give a receipt for the same.

SEC. 7. Any practitioner, who shall present to the faculty of an institution for endorsement or to a prothonotary a diploma which has been obtained fraudulently, or is in whole or in part a forgery, or shall make affidavit

to any false statement to be filed or registered, or shall practice medicine or surgery without conforming to the requirements of this act, or shall otherwise violate or neglect to comply with any of the provisions of this act shall be deemed guilty of a misdemeanor, and on conviction shall be punished, for each and every offense, by a fine of one hundred dollars, one half to be paid to the prosecutor and the other half to be paid to the county, or be imprisoned in the county jail of the proper county for a term not exceeding one year, or both, or either, at the discretion of the court.

SEC. 8. Nothing in this act shall be so construed as to prevent any physician or surgeon, legally qualified to practice medicine or surgery in the State in which he or she resides, from practicing in this commonwealth, but any person or persons opening an office or appointing any place where he or she may meet patients or receive calls, shall be deemed a sojourner, and shall conform to the requirements of this act.

SEC. 9. This act shall take effect on the first day of June, 1881.

SEC. 10. That all acts or parts of acts heretofore passed and inconsistent with this act, be and the same is hereby repealed.

Approved the 8th day of June, A. D., 1881.

CAMDEN, N. Y., May 11th, 1881.  
Mr. GEO. H. WOOD:

My Dear Sir—The picture arrived this morning, and was paid for and taken in less than two seconds after it was opened. It is without doubt the finest picture of any kind in town; in fact, the finest I ever saw at any price.

I cannot compliment you sufficiently for your talent, and assure you that you will never regret the labor bestowed on this piece of work; it will be productive of other similar work from this section and to no small amount. I have no doubt that by putting it on exhibition in window I could secure you hundreds of dollars worth of work. I have compared it with former one of same subject made by you at \$15 I think, and this is very much finer.
