General MADILL is prospecting in the west. M. H. LANING is sojourning at Richfield Springs.

Mrs. MARPLE and daughter, Miss KITTIE, of Elmira, are spending a month at C. T. KIRBY'S, on Chestnut street.

Mr. AVERY FRINK, builder of the jail and poor house, is in town. He is on his way home from a prolonged visit in the west.

WILL SMITH and GEORGE FAIRCHILD were down the river fishing yesterday and took two fine bass, the combined weight of which was nearly five pounds.

Miss JENNIE MILLER, of Waverly, who has been visiting Mrs. A. S. GORDON, on York Avenue, has returned home accompanied by Mrs. GORDON.

Mr. BEN P. SEXTON, late of this office, has secured a good situation upon the Towanda Journal. He is an industrious young man and has fallen into good hands.—*Blossberg Register.*

LESTER FROST writes to a friend here that he has several thousand watermelons on his farm near Richmond, Va. LET'S Towanda friends would make a big hole in the "patch" if they were all there.

Mr. EDMUND HORTON, of Terrytown, was a caller at this office yesterday. It was his 73d birth-day anniversary and one of the things he did to commemorate it was to renew his subscription to the REVIEW, which he reads without the aid of glasses.

Doctor WILLIAM HENRY MERCUR and sister, Miss ANNA ELIZABETH MERCUR, are enjoying a week's vacation at Lake Carey, near Tunkhannock, as the guests of Miss STERLING, of Meshoppen, who has a pleasant cottage at that quite celebrated summer resort.

Mr. and Mrs. W. A. CHAMBERLIN and their grand-son, Master FRANK MONTANYE, returned from Wisconsin yesterday afternoon. Mrs. Doctor MONTANYE was much better when they left Waupaca, and they think will soon enjoy better health than she has for some years past.

Miss M. ANNIE PETRIE, of Barclay, who graduated with the highest honors of her class, at the Elmira College, at the recent commencement, has been secured as a teacher in the Collegiate Institute for the coming year. The Principal and patrons of the Institute are to be congratulated.

The REVIEW is two years old to-day,

We learn that JOHN CARMODY, a farmer residing near Greenwood, was kicked by his horse yesterday morning, from the effects of which he died before noon.

We learn the excursion to Watkins on the 16th promises to be very successful. If hard work, good management and a careful arrangement for the comforts of excursionists ever win success, we are certain our Wyalusing friends will have it, for we have never known an excursion planned in which these conditions were more completely met. Without doubt many from Towanda and all along the route will avail themselves of the unprecedented low rates.

Pursuant to call of the Chairman, the Democratic County Committee met yesterday. On motion, WILLIAM MAXWELL was re-elected Chairman and S. W. BUCK Secretary. GEO. STEVENS, W. S. DOBBINS and JOHN BALDWIN were chosen delegates to the State Convention. T. R. JORDAN and S. W. BUCK were elected Senatorial delegates. The committee decided to leave the time of holding the county convention to the discretion of the Chairman.

The Greenbackers met here yesterday and nominated the following county ticket:
Sheriff—D. R. WOODBURN, Rome.
Prothonotary—JOHN H. ORCUTT, Towanda borough.

Register & Recorder.—SAMUEL HOUSTON, Burlington.
Treasurer—J. S. THOMPSON, Camptown.
Commissioners—H. A. HOLCOMB, LeRoy, JOSHUA TURK, Litchfield.
Auditors—G. F. BALLARD, East Troy, N. J. BAILEY, North Towanda.
Coroner—Dr. M. F. TERRY, Terrytown.
 J. H. ORCUTT was re-elected Chairman of the County Committee and F. G. JOHNSON, Secretary. Resolutions were adopted endorsing the National platform adopted at Chicago, and opposing any fusion or change of name.

TOWANDA, PA., Aug 3d, 1881.

The Bradford County Medical Society met at the office of Dr. D. N. Newton, in Towanda. The President, Dr. O. H. Rockwell, in the chair. The following named members were present: D. N. Newton, G. F. Horton, O. H. Rockwell, P. A. Quick, W. J. Hillis, C. K. Ladd, F. G. Newton, T. B. Johnson, Volney Homet, S. M. Woodburn and E. D. Payne. The minutes of the last meeting were read and approved.

Dr. Rockwell, who had been appointed to read a paper at this meeting, stated that, on account of pressure in professional business, he had not been able to properly prepare the paper and fulfill the duty; but if the society would extend the time allotted to him, he would do so at the next meeting. The time so asked was granted.

Dr. Rockwell then made a verbal report of cases of diphtheria, of a fatal character, confined to one family. He also made a verbal report of a case of disease of the blood vessels, resulting in gangrene, epilepsy and cerebral softening.

Dr. Ladd presented for Dr. Kilburn a case of tumors occurring in various parts of the body.

The presentation of these cases called out a full and free discussion on the part of the members present, on each case.

Dr. Johnson presented the name of Dr. William Patton Griffiths, for membership in the society, which being referred to the censors present, and favorably reported on, he was unanimously elected a member.

It was also ordered that the reports of the Society be offered to the *Bradford Republican* and TOWANDA REVIEW, for publication, in addition to those specified at the last meeting.

The Society then adjourned, to meet at the office of Dr. D. N. Newton, in Towanda, on Wednesday, Sept. 7th, 1881, at 2 p. m.; at which time the election of officers for the ensuing year will take place, and such other business be transacted as may be necessary in closing the business of the past year.
 E. D. PAYNE, Secy.
