Mr. BRONSON graduated at the Susquehanna Collegiate Institute at the close of the last term, with high honors, being the valedictorian. He is a reliable christian gentleman and we have no doubt will receive the patronage he deserves. We most heartily recommend him to the good people of Wyalusing.

Noticeable improvements have recently been made at the college building. Under Prof. QUINLAN'S able management the school will undoubtedly have another year of prosperity.

The S. L. & S. RR Co., have painted the depot at this place, and erected a platform on all sides of the building, making it very convenient, and very much better in appearance. —*Dushore Review.*

THE PARK CONCERT LAST EVENING.—Notwithstanding the unexpected and unavoidable absence from town of several important members, the Germania Band performed a brief but very acceptable programme to a quickly gathered crowd, last evening. The third number, a breezy waltz movement, was given in a highly finished style, Mr. WALKER sustaining the leading melodies with fine expression and purity of tone. The last number was also brilliant and balanced in harmony.

The Excursion of the Germania Band to Watkins Glen, to be taken on Friday the 26th inst., will furnish the citizens and families of Towanda a cheap, fitting and pleasant occasion of showing their gratitude to this well organized and very superior Band, for its entirely gratuitous, yet eagerly welcomed, home services. Give them the noble benefit they have richly earned.

The President has done well during the day and has taken additional nourishment by his mouth this afternoon with evident relish and without subsequent nausea. There is some rise of temperature, but his general condition is rather better than at this time yesterday. Pulse, 108; temperature, 100; respiration, 18.

Blaine sent the following to Lowell: The condition of the President at 11 o'clock to-night shows an improvement.
