#### Personal.

Miss JANE TOWNER has removed to Waverly, New York.

G. L. ROSS and family started with the excursion for New York this morning.

Miss ANN WEBSTER of Waterloo, N. Y. is visiting at O. A. BALDWIN'S York Av.

Mr. and Mrs. B. F. BOWMAN and Mrs. WM. BOWMAN, are among the excursionists to New York city.

Maj. E. W. HALE and wife and Mrs. J. J. GRIFFITHS started this morning for Connecticut, to visit Mrs. H.'s parents.

Mr. SAMUEL WOODFORD gathered half a bushel of beautiful early Crawford Peaches from a tree in his garden yesterday, and left a couple of fine large ones on our table.

Dr. EYER of Waupaca, Wis., who accompanied Mrs. Dr. MONTANYE from that place, where she was stricken with an acute attack of pneumonia, left yesterday morning for his home, where his presence is required by his patients, whom he left without a moment's warning. The Doctor has been unremitting in his attention, and has done everything that medical skill could devise for the relief of Mrs. M., but we regret very much to state that she is still in a critical condition.

This morning at 8 o'clock Miss MAME LEWIS, daughter of Commissioners' Clerk WILLIAM LEWIS, will be married to Mr. CHARLES OLMSTEAD, of Union, N. Y. The ceremony is to take place at the home of the bride's parents in Wysox, and Rev. W. S. STEEN is to tie the knot. The bride is an estimable young lady and we are pleased to learn that the young gentleman who has been so fortunate as to win her heart and hand, is every way worthy of such a wife. He is a rising young architect, and has already acquired some fame in his profession. The happy pair start on their bridal tour to Niagara on No. 30 this morning.

Court convened yesterday. We will publish proceedings to-morrow.

The delegates from Wells township, omitted in our list on the fourth page, are—BURT KNAPP and CHAS. BOWMAN.

Religious services will be held at McKee's Hall, West Warren, on Saturday evening September 10th, at 7:30, Rev. M. KINGSBURY of Vermont, officiating. Subject, "Salvation for all."

Candidates are numerous, notwithstanding the fact that quite a number were slaughtered in the house of their friends Saturday.—The few who succeed in "holding their men" to day will go home happy.

We are glad to announce that, in conformity with the recommendation of his Excellency, Gov. HOYT, the Rector of Christ Church, invites his parishioners and all others who may desire to do so, to meet in Christ Church at 11 o'clock, and spend a season in prayer and supplication for the recovery of the President. Strangers in town will be welcome to the service.

The two men, WHEELER and WARNER, charged with beating and robbing the young man near Hemlock Run, were yesterday committed by Justice HALL to await the action of the Grand Jury. The offense, highway robbery, with which they are charged, stands next to murder and the justice had no authority to admit them to bail. As the trial cannot take place until December term, they will have to remain in jail until that time.

We direct especial attention to the new advertisement of our popular tailor, Mr. F. P. GRADY in to-day's paper. His large experience and excellent taste have won for him a large patronage. His new stock of cloths comprise the best quality and most stylish grades in the market. FRANK does his own cutting and superintends all work done in his shop, so that good fits are guaranteed.

Wanted, a young man acquainted with the clothing business. Enquire of M. L. Schneeburg, Elwell House, or store in Means block.

FOUND, in the road between Myersburg and my house, Saturday, September 3, a pocket book containing quite a sum of money. The owner can have it by calling on me and paying for this notice.

STEPHEN STRICKLAND.

MONROE MENTIONINGS.—The fall term of the Graded school starts off with 49 scholars in one room, and 50 in the other—only two teachers; Prof. THOMPSON and LAURA MAGILLE. They can neither satisfy themselves nor the patrons of the school with such a huddle on hand.

Little RALPH SWEET, son of the late H. SWEET, and aged five years, to-day the fourth fell and a fork tine entered his face on a level with his mouth, piercing his right cheek and temple, and then coming out near the top of his head. Dr. Hull hopes that no nerve has been injured.

WEATHER INDICATIONS FOR TO-DAY.—Fair; Warmer; southerly winds; stationary or lower temperature.

#### The President's Condition.

The President is on his way to Long Branch. God grant him a safe journey. At midnight he was sleeping quietly.

#### OFFICIAL BULLETINS.

8:30, A. M.  
The President was somewhat restless during the early part of the night, but slept well after midnight. He takes and retains the nutriment prescribed. This morning the pulse is less frequent than yesterday, and the temperature a degree above normal. Pulse 102, temperature 99.5-10, respiration 18.

12:30, P. M.  
The President's condition has not changed materially since last bulletin issued, except that there is some increase in the frequency of the pulse. He has taken with some relish the nourishment administered by the mouth, and had no return of gastric irritability. Pulse 114, temperature 99.5, respiration 18.

6:30 P. M.  
No material change has taken place in the condition of the President since morning. The parotid abscess continues to improve and the wound remains about the same. The pulse is somewhat less frequent than at noon. At present it is 108, temperature 99.8, respiration 18.—Should no untoward symptoms prevent, it is hoped to remove the President to Long Branch to-morrow.

Now that the President's convalescence seems assured, the subject of executive business is again being discussed, and in connection with it, the probability and feasibility of Arthur's being called upon to act as President until Garfield recovers.

The public debt was decreased almost \$15,000,000 in August.

During the President's ride to Long Branch bulletins will be thrown off at different stations.

#### MARRIED.

REID—DONN—By Charles M. Hall, J. P. at his office in the boro of Towanda, on the 31st of Aug. A. D., 1881, Mr. Andrew Reid of Barclay, to Miss Catherine Bonn, late of Scotland.

REID—FORMAN—By Charles M. Hall, J. P. at his office in the boro of Towanda, Mr. Robert Reid, of Barclay, to Miss Ellen Forman, late of Scotland.

In connection with the above notices, we understand that the happy brides after coming all the way from Scotland, were met by their future husbands at this place and concluded what no doubt had been a long and faithful courtship. Amidst the happiness of the joint affair came the melancholy accident, resulting in the death of one of the bridal party—Mr. HUNTER—who came down to be present at the marriage. We have heretofore give the particulars of his frightful fall from the third story of the Henry House, resulting in death.
