LITERARY NOTE.—The publishers of Rev. Dr. Robinson's "Spiritual Songs for the Sunday School" have just issued a little book containing only the hymns of that work and selling for one-half the money. It will be a most desirable supplement to the large book, greatly increasing its usefulness, and placing it within the reach of the largest mission schools. The new edition is prettily bound in flexible red cloth, and costs but 20 cents. The complete tune edition, bound in stiff boards, covered with red cloth, with red edges, costs 40 cents to schools in quantities. It is said that the sales of the latter work have mounted up into the scores of thousands since its issue a year ago. The Century Co., New York, are the publishers.

Wysox, Sept. 5, 1881.

We direct especial attention to the new advertisement of our popular tailor, Mr. F. P. GRADY in to-day's paper. His large experience and excellent taste have won for him a large patronage. His new stock of cloths comprise the best quality and most stylish grades in the market. FRANK does his own cutting and superintends all work done in his shop, so that good fits are guaranteed.

TEACHERS' ASSOCIATION. — Inasmuch as the trains on the S. L. & S. R. R. do not run at times to accommodate persons attending the Association except for the Friday evening session, resort to other ways of conveyance will be necessary which bear in mind. Persons coming to Towanda by rail can be accommodated at reasonable rates by applying to S. L. Arnold or E. E. Buffington, either personally or by letter. The larger the number desiring to go the better the rates.

BRADFORD COUNTY TEACHERS' ASSOCIATION.—The next meeting of the Bradford County Teachers' Association will be held at New Albany, Sept. 9th and 10th insts.

Every effort is making to have this a pleasant as well as profitable meeting. We hope teachers from all parts of the county will interest themselves in it and try and be present. The following is the program of exercises as far as we have been able to arrange it:

ADDRESS—"How Our Laws Are Made"—Hon. E. L. HILLIS.

PAPER.—School Etiquette—ANNIE S. KINNEY.

NATURAL SCIENCE IN OUR COMMON SCHOOLS.—Prof. E. E. QUINLAN.

COMMON FRACTIONS.—Geo. M. MARSHALL.

QUESTIONS FOR GENERAL DISCUSSION.

1. To what extent can the Science of Agriculture be taught in our Schools.

2. Is the practice of keeping the school reports on sheets of paper and afterwards copying them into the books advisable, or even legal?

3. Has the Educational exhibit at the County Fair been beneficial to our schools? If so how can it be made more so in the future?

4.—How much time should be given to the higher mathematics in our mixed schools?

The exercises will be interspersed with declamations and music.

The committee of arrangements and entertainments, Messrs. S. D. Sterigere, D. G. Brown, T. J. Newton, Warren Ayres, and J. B. Steigere, will do all they can to make it pleasant for those attending. New Albany is determined not to be behind other places in her zeal and interest in the educational work of the county.

E. T. BURGAN,

H. C. GREEN, Sec'y. President.

JOHN DECKER is now canvassing this place for an article which ought to find a ready sale in every household, as it will commend itself on examination. It is an Ironing Board so constructed that while it is durable it is readily folded up and put out of the way when not in use. We ask for Mr. DECKER a cordial reception; we believe the introduction of the article he is offering will prove a great benefit to all who have ironing to do.

The fifth annual encampment of the Grand Army of the Republic of Bradford county and vicinity, and soldiers and sailors, will be held on the fair grounds, in East Towanda, on the 11th, 12th and 13th days of October, 1881. It is earnestly requested that the different Posts, and the soldiers and sailors, will lend their aid in making this encampment a grand success. General orders will be issued in a few days, giving full details.

FRANK AMMERMAN, Com'r.

CHAS. HINTON, Adjutant.

CALKINS' EMBROCATING EMULSION.—J. F. Calkins has been traveling in the interest of Dr. G. L. Stevens, of the city of Cleveland, Ohio, and in the past three years has visited all the cities and principle towns of our State.

His business has brought him in acquaintance with many of the most eminent and talented Physicians in the State, and in his intercourse with them has gathered a number of valuable prescriptions from which he has compounded an article he calls Calkins' Embrocating Emulsion, used as a lotion. Many of the citizens of Towanda and surrounding towns by its use are recommending it as a valuable treatment for Rheumatism, Neuralgia, local and chronic pains, back, head or tooth ache, crick in neck or back, sprains, bruises, sore throat, quinsy, burns; &c. Price 25 cents per bottle. Druggists supplied on liberal terms.

A gentleman in town says, it is the best thing for burns I ever had in my house.

A lady in Wilksbarre was cured of quinsy in its first stages by it when her physician said it could not be stopped.

A young man in Monroe had a severe attack of Pleurisy the Embrocating Emulsion stopped it at once. A lady in East Troy says it cured her of Inflammatory Rheumatism with which she was afflicted for more than a year, having kept her bed for weeks at a time.

A lady in Monroe Township sprained her ankle so severely that she was obliged to keep her foot on a pillow, by the use of the Embrocating Emulsion in three days she was doing her house work, and was at once cured. An old citizen of Ithaca was afflicted with a pain in his side. He could find nothing to relieve him. He was induced to use the Embrocating Emulsion and writes: F. J. Calkins, dear sir: Two applications of the Embrocating Emulsion stopped the pain. I was afflicted with Itching piles. It also stopped them. It is very valuable. Signed, P. Case.

One gentleman who was suffering with a severe back ache caused by lying in bed for a long time with sickness was effectually relieved by three applications of the Embrocating Emulsion.

A lady in our Town who had used the article said Mr. Calkins ought to make a fortune out of the Embrocating Emulsion.

A number of Physicians are using it. The names of all the above cases can be given and many more cases added. Try it.
