We are constantly receiving orders for "Lum Smith's Imitation Stained Glass," and are ready to give our patrons the full benefit of an inexpensive and handsome decoration by placing it on any glass whether door or window, large size or small glass, green or white, round or square, in fact any position, shape or kind of frame or glass that needs shading from the rays of the sun, or from the gaze of inquisitive eyes. Thankful for the very liberal patronage bestowed since we have received the agency of this Imitation, we shall by a strict attention to business, hoping to merit a continuance of the same. To those who have heard of the "Imitation Glass," and have not seen it, we extend a cordial invitation to examine into its real merits, and ask the prices for which it can be obtained, we are prepared to contract with churches, halls, or other public buildings, and warrant all of our work to surpass in beauty the genuine stained glass and our prices are less than one-fourth the cost of the same. Those in need of anything of this kind or who are lovers of art, whether they wish to purchase or not, are respectfully invited to examine the same at CHAS. F. CROSS' Book Store.

TO MY PATIENTS.—Owing to impaired health I find it necessary to employ an assistant, and it affords me great pleasure to inform my patients and the public generally that I have secured the services of Dr. FOWLER, of Ithaca, N. Y., one of the most skillful dentists in the country, and he will spend the greater portion of his time in my office. This arrangement will insure promptness in attending to all who may favor us with calls.

Having been associated with Doctor Fowler previous to my coming to Towanda, I know him to be an accomplished gentleman and a first class dental operator. W. B. KELLY, Dentist.

DR. A. E. BURR'S

HOMOEOPATHIC

LUNG SYRUP.

This remedy is something new, both as to name and composition. This is one of the wonders of the world. This Syrup, I claim, is better and more effective than any other ever offered to the people of America or any other country, and what I say of this I can prove. This Syrup, like the Pills, is harmless and safe. It contains no opium or other narcotic poison, like the most Syrup, and is not disagreeable to take. Any child will take it. And it will cure any and all inflammations arising from Cold. It is superior to all others in every respect and especially for the following reasons:

- 1st. It will cure Croup every time.
- 2d. It will cure Inflammation of the Lungs.
- 3d. It will cure Quinsy.
- 4th It will cure Whooping Cough.
- 5th It will cure Bronchitis.
- 6th It will cure Hoarseness.
- 7th It will cure Sore Throat.
- 8th It will cure any Cold.
- 9th It will cure Congestion of the Lungs.
- 10th It will cure any Cough.
- 11th It will cure Scarlet Fever.
- 12th. It is the best remedy that any one can take for Consumption, and if taken in the first stage I will guarantee a cure.
- 13th. It is perfectly safe for all ages as there is nothing in its composition that can harm a child.

This Brush is made of Metal Bristles, which are far superior to Hair Bristles. It is a law of Electro-Physics that electricity can not be communicated through hair bristles.

THE ELECTRO-MAGNETIC BRUSH
A SCIENTIFIC CURIOSITY.

Endorsed by prominent scientists of Europe and America, contains a complete GALVANIC BATTERY in the back, which produces a current of great intensity, which is communicated to the system and blood through the METAL BRISTLES.

The popular idea that Metal Bristles are harsh, or scrape and scratch the skin, or are in any manner unpleasant to the flesh is erroneous. They are soft and flexible, being set in a bed of soft rubber, and while feeling like velvet to the skin, yet produce a gentle, healthy friction, beneficial to the surface of the body, and at the same time opening the pores of the skin, permitting the unobstructed passage of the current to the blood, thence permeating the entire system.

DR. MORITZ MEYER, Royal Counselor of Health, Berlin, Prussia, says:

"It is successful in all nervous disorders, Neuralgia, Spasms, Paralysis, Rheumatism, Rheumatic Paralysis of the Eye, Disorders of the Sexual Organs, Impotency (which is cured by continued employment of the Brush), Deafness, Constipation, Dyspepsia, Kidney troubles."

DR. FREDERIC FIEBER, Instructor at the University, and Chief of the Special Division of Electro-Therapeutics, at Vienna, Austria, says:

"There is scarcely a single remedy by means of which hyperæsthesia, from simple irritability of every degree to the most violent neuralgia, can be removed with so much certainty as by electricity."

Mr. J. W. WEAKLEY, City:

"Dear Sir,—I have carefully examined and tested the Electric Brush sold by you, and find that it well justifies the claims for it as a safe and reliable means of applying the Electric current. The mode of application with your Brush is of greater value than the ordinary battery treatment in the great majority of nervous and chronic ailments. Yours respectfully,

C. E. JONES, of C. E. Jones & Bro.

Messrs. C. E. Jones & Bro. are the most extensive and skilled electricians in the country.

We beg to call especial attention to the fact that they do not say ours are good Hair Brushes, but that they are just what we claim—Electro-Magnetic Brushes, generating a current of electricity.
