**LENGTH OF LIFE.**—The following table is one that is used by London insurance companies, showing the length of life at various ages. It has been the result of careful calculation, and seldom and premature deaths, as well as lives unusually extended occasionally occur, but this is a table of average expectancy of life of an ordinary man or woman. A person one year old may expect to live thirty-nine years longer; of ten years, fifty-one; of twenty years, forty one; thirty years, thirty-four; forty years, twenty-eight; fifty years, twenty one; of sixty years, fourteen; of seventy years nine, of eighty years, four. Our readers will easily gather from the above tabulated statement the number of years to which their lives, according to the law of averages may reasonably be expected to extend.

The long standing suit against the Packer estate is once more engrossing attention in Carbon county. On Wednesday, September 7, the case was brought up in Argument Court in Mauch Chunk. Hon. S. S. Dreher, of Stroudsburg, is the President Judge, and Associate Judges Leonard and Meensden are on the bench. The counsel for the plaintiffs are F. Carroll Brewster, Esq., Hon. J. W. Campbell and Judge William A. Porter, of Philadelphia. The counsel for the estate are Ferman Shepard, Esq., George W. Biddle and George Biddle, of Philadelphia. It is well understood that the claims of the plaintiff involve a vast amount of money, and are founded on a contract said to have been entered into 25 years ago, in which it is alleged that Judge Asa Packer agreed to pay to Noble, Hemmet & Co., a two-tenths portion of the capital stock of the Lehigh Valley Railroad. The claim amounts to \$2,500,000. The arguments are now being made and will continue for some days.—*Easton Express.*

**HYGIENIC VALUE OF MIRTH.**—Mirth has an hygienic value that can hardly be overrated while our social life remains what the slavery of vices and dogmas has made it. Joy has been called the sunshine of the heart, yet the same sun that calls forth the flowers of a plant is also needed to expand its lives and ripen its fruits; and without the stimulus of exhilarating pastimes perfect bodily health is as impossible or moral and mental vigor. And, as sure as a succession of uniform crops will exhaust the best soil, the daily repetition of a monotonous occupation will wear out the best man. Body and mind require an occasional change of employment, or else a liberal supply of fertilizing recreations, and this requirement is a factor whose omission often foils the arithmetic of our political economists.

To the creatures of the wilderness affliction comes generally in the forms of impending danger—famine and persistent persecution; and under such circumstances the modifications of the vital process seem to operate against its long continuance; well-wishing Nature sees her purpose defeated, and the vital energy flags, the sap of life runs to seed. On the same principle an existence of joyous drudgery seems to drain the springs of health, even at an age when they can draw upon the largest inner resources; hope too often baffled, at last withdraws her aid; the tongue may be attuned to chanting hymns of consolation, but the heart can not be deceived, and with its sinking pulse the strength of life ebbs away. Nine-tenths of our city children are literally starving for lack of recreation, and not the means of life, but its object, civilization has defrauded them of; they feel a want which bread can only aggravate, for only hunger helps them to forget the misery of *enani*. Their pallor is the sallow hue of a cellar plant; they would be healthier if they were happier. I would undertake to cure a sickly child with fun and rye bread sooner than with tidbits and tedium.

**PENNSYLVANIA STATE SUNDAY SCHOOL CONVENTION.**—The Seventeenth Annual Convention of the Pennsylvania State Sunday-School Association will be held in the Presbyterian Church in the city of John-

town, commencing Tuesday, October 1st 1881, at 2.30 P. M., and continuing Wednesday and Thursday, October 19th and 20th. Each county association is entitled to send six delegates from their respective counties. The cities of Philadelphia and Pittsburg are accorded six delegates each, and cities of 20,000 inhabitants three delegates each in addition to the county representation. All delegates will be entertained. Application for entertainment must be made to Mr. John Fulton, chairman of the local committee. Upon their arrival at Johnstown, delegates will report to Mr. D. L. Jones in the Presbyterian church, where homes will be provided for them. Special railroad rates are being prepared from all parts of the State. Orders for the same may be procured by addressing the chairman of Railroad Committee, Mr. James M. Gamble, Williamsport, Pa. These orders may be had by all parties who desire to attend the convention, but entertainment will be provided only for duly accredited delegates. Special rates at the hotels are made for all persons attending the convention. Sunday-school superintendents, teachers, workers, and all others interested in the cause, are invited to attend. An instructive and attractive programme of special helpfulness to Sunday-school workers is being prepared, and eminent speakers from all parts of the State will participate. It is earnestly recommended that Sunday, October 16th, be observed as a day of prayer for the divine blessing upon the approaching convention, and upon the Sunday-school work throughout the State.

By Order of the Executive Committee.  
R. WARNER HARE, Acting Ch'n.

JOHN DECKER is now canvassing this place for an article which ought to find a ready sale in every household, as it will commend itself on examination. It is an Ironing Board so constructed that while it is durable it is readily folded up and put out of the way when not in use. We ask for Mr. DECKER a cordial reception; we believe the introduction of the article he is offering will prove a great benefit to all who have ironing to do.

The fifth annual encampment of the Grand Army of the Republic of Bradford county and vicinity, and soldiers and sailors, will be held on the fair grounds, in East Towanda, on the 11th, 12th and 13th days of October, 1881. It is earnestly requested that the different Posts, and the soldiers and sailors, will lend their aid in making this encampment a grand success. General orders will be issued in a few days, giving full details.

**CALKINS' EMBROCATING EMULSION.**—J. F. Calkins has been traveling in the interest of Dr. G. L. Stevens, of the city of Cleveland, Ohio, and in the past three years has visited all the cities and principle towns of our State. His business has brought him in acquaintance with many of the most eminent and talented Physicians in the State, and in his intercourse with them has gathered a number of valuable prescriptions from which he has compounded an article he calls Calkins' Embrocating Emulsion, used as a lotion. Many of the citizens of Towanda and surrounding towns by its use are recommending it as a valuable treatment for Rheumatism, Neuralgia, local and chronic pains, back, head or tooth ache, crick in neck or back, sprains, bruises, sore throat, quinsy, burns; &c. Price 25 cents per bottle. Druggists supplied on liberal terms.

A gentleman in town says, it is the best thing for burns I ever had in my house.

A lady in Wilkesbarre was cured of quinsy in its first stages by it when her physician said it could not be stopped.

A young man in Monroe had a severe attack of Pleurisy the Embrocating Emulsion stopped it at once. A lady in East Troy says it cured her of Inflammatory Rheumatism with which she was afflicted for more than a year, having kept her bed for weeks at a time.

A lady in Monroe Township sprained her ankle so severely that she was obliged to keep her foot on a pillow, by the use of the Embrocating Emulsion in three days she was doing her house work, and was at once cured. An old citizen of Ithaca was afflicted with a pain in his side. He could find nothing to relieve him. He was induced to use the Embrocating Emulsion and writes: F. J. Calkins, dear sir: Two applications of the Embrocating Emulsion stopped the pain. I was afflicted with itching piles. It also stopped them. It is very valuable. Signed, P. Case.

One gentleman who was suffering with a severe back ache caused by lying in bed for a long time with sickness was effectually relieved by three applications of the Embrocating Emulsion.

A lady in our Town who had used the article said Mr. Calkins ought to make a fortune out of the Embrocating Emulsion.

A number of Physicians are using it. The names of all the above cases can be given and many more cases added. Try it.
