At 11:15 a. m., the various church and school and Court-House bells tolled, and all business suspended.

PRESIDENT ARTHUR.

Vice-President ARTHUR was sworn in as President by a United States Judge at his house in New York at 2 o'clock yesterday morning.

The *Herald* says: During the ceremony of taking the oath Arthur was evidently deeply affected. Immediately after taking the oath Arthur sank into a chair in the room and buried his face in his hands, thoroughly overcome.

The first message of sympathy received by Mrs. Garfield after the death of the President was from Vice-President Arthur.

After the Death—Funeral Preparations &c., &c.

The official bulletin announcing the death was issued at 1.15 a. m., and closed in the following words: After taking nourishment he fell into a quiet sleep about thirty-five minutes before his death, and while asleep his pulse rose to 120 and was somewhat more feeble. At 10.10 he awoke, complaining of severe pain over the region of the heart, and almost immediately became unconscious and ceased to breathe at 10.35.

The President is to be buried in Lake View Cemetery, Cleveland, in compliance with his often repeated request.

It is now said, and believed by those who know her, that Mrs. Garfield's life is in danger, and that she will not long survive her husband. Courageous as she seemed she has her feelings under control at an enormous strain, and the reaction cannot fail to come.

The autopsy disclosed a clot of blood on the heart, corroborating the opinion of the attending surgeons as to the immediate cause of death.

It is reported the bullet was found immediately back of the heart, and that from its location death was inevitable. Life was only prolonged by the most excellent nourishment and nursing.

The ball passed through the spinal column. No abscesses were found on the lungs.

Secretary Blaine has issued an order in regard to the burial. The remains will be removed to Washington to-day, the special train leaving Long Branch at 10 a. m., reaching Washington at 4 p. m.—The remains will be in state in the rotunda of the capitol Thursday and Friday, guarded by deputations from the executive departments and officers of the Senate and House. Religious services will be observed in the rotunda at 3 o'clock Friday; after which the remains will be transferred to the funeral car and be removed to Cleveland, via Pennsylvania R. R., arriving Saturday at 2 p. m. In Cleveland the remains will be in state until Monday at 2 p. m., and be then interred in Lake View Cemetery.

Detailed arrangements for the final sepulture are committed to the municipal authorities of Cleveland, under directions of the Governor of Ohio.

From a private dispatch to President PACKER yesterday morning, we learn that a United States Judge in the District of Columbia, has given it as his opinion that Guiteau must be tried in the State of New Jersey for the murder of the President, if he can be taken there alive.

Miss EMMA WARING respectfully informs the ladies that she has taken rooms at Mr. WM. KEYSER'S house, on Pine street near Graded school, where she will be pleased to see all in need of her services. Cutting, fitting and dress making done on reasonable terms, and all work warranted to suit.
