HOUSE FOR SALE.—The valuable house and lot on Second street known as the "HIRAM TAYLOR PROPERTY" will be sold to the highest bidder on Monday, October 31st at 2 o'clock, p. m., in front of the First National Bank. The lot has a frontage of 77 1-2 feet on Second street and extends back to Third st., about 300 feet divided by an alley running from Maple st., to Lombard. Good barn on the alley. A WONDERFUL WATCH.—DAVID JONES is a miner at the Pottsville shafts. He owns a watch which he prizes more than he did a week ago. The other day it slipped out of his pocket while at work in his breast, and went down the chute with the coal. It was shoveled into a wagon, and taken down a plane 136 yards long, arrived at the foot of the shaft it was reloaded on the cage and taken up 16,000 feet to the surface. There it was turned into the breaker, through which it passed with several tons of coal. A state picker found it. In the meantime DAVY discovered his loss and sent word to the top, and MARK NAGLE, the telegraph operator made search for it, arriving at the breaker just in time to see a boy pick it up. On examination it was found that besides being filled with coal dirt, the damage the watch sustained was a broken hand.—Pottsville Chronicle.

ALMOST A FIRE.—Express agent Agent W. B. DODGE, did not go to church Sunday morning, and just before noon, on going into his back yard, discovered a large volume of smoke proceeding from the roof of the house adjoining his residence, which is also owned by him. He at once gave the alarm and proceeded to investigate. The occupants of the house were away, and he was compelled to break in a door. The house was full of smoke, but Mr. D. reinforced by several of his neighbors, set vigorously at work and soon had the fire extinguished. The fire had kindled from ashes thrown carelessly against the side of the house, and was burning between the inner and outer walls. The timely discovery saved a disastrous conflagration.

NESTOR, of the Senate, has the "run" on cigars now. He is having manufactured expressly for his own trade the "Senate" brand, of cigar, which is very popular with lovers of the "weed." Good judges pronounce it equal in flavor to the best Havana.

About the busiest place in town is the Five Cent Store. The designation, by the way, is a misnomer. It should be called the Bazaar, as it contains almost everything; articles from the lowest to the highest price. It is a favorite resort for the ladies. One of the firm goes to New York this week to buy new goods.
