Mr. and Mrs. CLARK WILSON are laboring with great success in western Pennsylvania. The Corry Herald in referring to their work in that city says:

"The Gospel meetings under Mr. and Mrs. WILSON have been moved to the Congregational church, and assumed the form of union meetings.

"The church is filled nightly and the interest and attention is breathless many times every night. From ten to twenty-five are forward nightly and many bright happy conversions are reported. Eternity alone can unfold the results of lives that run to the wrong being turned into the channel where they will work, sacrifice and do the right. Every community and especially this one, needs more true men and women, old and young, to do and dare for the right. Such a meeting is a public benefaction, helps to prevent crime, raises the moral tone of the community and makes it safer to live and do business here. Let every citizen say, "God speed the work" and give themselves up to the better influence.

MAN UNDER THE BED.—At a pleasant place not far from the county seat, a fearful tragedy came near happening. A young lady went to her sleeping apartment at an early hour in the evening, prepared her toilet for bed, and, with a lack of wisdom, blew out the light before taking the precaution to look under the bed. The fact that she had extinguished the light without providing herself with matches, made her all the more timid. Not satisfied with her situation, she reached a cane near by, and placed herself on the edge of the bed and thrust the stick under the structure, and went through as many motions as the woman at the loom. What was her horror, therefore, when the other end of the stick was grasped by a firm hand—and sure enough—found a man under the bed. With a loud scream that aroused the inmates of the house, she threw herself to the back side of the bed and fainted away. The man was soon captured, and released on a pledge of good behavior in future. Girls should always look under the bed before retiring.—*Le Raysville Advertiser.*

GODE'S LADY'S BOOK FOR NOVEMBER, Opens with a beautiful Steel Plate engraving, "Recalled to Life," a richly colored double page Fashion Illustration, with numerous engravings of various designs of the Latest Fashions. The Diagram Pattern is a novelty in the fact that it is a Lady's Bodice without shoulder seams. The novelette is a thrilling story of land and sea, by Thomas S. Collier, entitled "Beyond." There are numerous shorter stories by good writers, Aunt Ruth's funny sayings, and indeed the general get-up of the magazine is worthy of all praise. One thing to be said of this old favorite is, that there is never any vulgarity or immorality in its pages, and, therefore, it is worthy of a place in any refined home. Any of our readers who do not take the Lady's Book can be supplied promptly, by leaving their orders at this office. We will furnish our own paper and the Lady's Book for the low price of \$4.50 per annum. As the next issue will close the current year, now is a good time to send in your subscription. The publication office is 1006 Chestnut street, Philadelphia, Pa.

THIS WILL PAY YOU.—We consult the best good of our readers in recommending them to now secure the valuable and important information and most interesting reading matter, including a Thousand or more of pleasing and instructive Engravings and sketches, that can be obtained at trifling expense in the *American Agriculturist*. This is not merely a farm and garden Journal, but is very useful to every House-keeper and to every household in Village or Country. It has an entertaining and useful department for the little ones. It is a journal that pays to take and read. Try it, and our word for it, you will not be disappointed. Its constant, persistent exposures of Humbugs and swindling schemes are worth far more than the cost of the paper. The 41st annual Volume begins January 1, but those subscribing now for 1882 get the rest of this year free. Terms: \$1.50 a year; four copies \$5 (English or German edition) single copy 15c.

NESTOR, of the Senate, has the "run" on cigars now. He is having manufactured expressly for his own trade the "Senate" brand, of cigar, which is very popular with lovers of the "weed." Good judges pronounce it equal in flavor to the best Havana.

About the busiest place in town is the Five Cent Store. The designation, by the way, is a misnomer. It should be called the Bazaar, as it contains almost everything; articles from the lowest to the highest price. It is a favorite resort for the ladies. One of the firm goes to New York this week to buy new goods.

So say the brightest and busiest organ dealers throughout the land, who are furnishing this matchless instrument to a musica public, which is rapidly learning to distinguish its marvellously pure and beautiful voice from that which is not music.
