Prof. DANIELLE is to open classes in Col. MEANS' Hall, on the 17th of Nov. This will be good news to our young folks and to many parents who wish to have their children learn to dance. There has been but one opinion expressed about Prof. D.'s teaching, and that is that he is the best and rapidest teacher that has ever visited Towanda. His pupils of last season are the best dancers at all parties and balls.

The house cleaning fever is now epidemic, and the result is that nearly everybody is miserable. The women are "tired to death," and their husbands and the male portion of their families are thoroughly disgusted and in anything but an amiable mood. Everything is upside down, and if you want to find an article of clothing or anything else, you can rummage the house over and then not find it. Cold dinners, damp houses, and cheerless homes are the order of the day, and there is a slight bit of ill nature bordering on profanity indulged in.

Prof. E. C. ELDRIDGE, of Elmira Female College, proposes to organize a class in Oil Painting in Towanda, if a sufficient number desire to take lessons to warrant his coming. Prof. ELDRIDGE is a graduate of the American Academy of Design, of New York city, has pursued his studies in Europe for two years, and now holds the position of instructor in art in the Elmira Female College. This will be a rare chance to those desiring to receive instruction from a teacher of high order. For terms, or other particulars, address, or call upon E. E. QUINLAN, Susq. Col. Inst.

**A NEW PAY CAR FOR THE VALLEY ROAD.**  
—The new pay car being built at the Valley shops has so far approached completion as to warrant a description being given. The car is of the usual length, width and height of an ordinary baggage car, and will be divided into four apartments—a cash, sleeping, cook room and observation room. In the cash or pay room will be placed sofas, tables, chairs, and the new Herring safe. The sleeping room will contain four berths. The cook room will be supplied with a cook stove and a patent Baker heater, a closet for dishes and one for linen. The observation room will be furnished with easy chairs and lounges. The whole interior of the car will be finished in black walnut and maple and neatly carpeted, and when completed will be a small railroad palace. The paymaster and his crew will sleep and live on the car during the few days required to pay the men employed on all the branches of the road. At present they are compelled to step and take their meals at hotels. The car will not be completed for the use of the paymaster until the January pay day.—*Easton Free Press.*

We congratulate pay-master WILHELM on his prospects for having so commodious and convenient an office while traveling over the road in the discharge of his arduous duties.

O! the next time that lady asks you who writes Burlington items and then gets angry because you don't tell what you don't know, and says well, they "hain't smart any-how," just ask her who said they was? and then add a little friendly advice by telling her it would do far better for others to spend their time writing items for some respectable newspaper even though they wer'nt smart, than gossiping about their neighbors—the one originating from a few brains, and the other for the want of a few. **THOMAS.**

1. What can be done to induce Directors and Patrons to give more help to teachers?
2. What suggestions have teachers to offer in regard to the County Institute?
3. What can be done to make the work of our Common schools more practical than it at present seems to be?
4. Is the practice of giving reward cards and other prizes as incentives to pupils a wise and commendable one?
5. Is any change from the present mode of examining and licensing teachers advisable?

The exercises will be interspersed with music, and by declamation or recitations by Frank Lyon, Julia S Hawes, May Alden Hattie Vangorder, Mary Bowman, Lottie Payne, and Hallie Dodge.

The committee on entertainment, arrangements, etc., are Dr. O. H. Rockwell, L. L. Lyon, M. A. Crammer, John Bookwell, Mrs. Daniel Huntly, Mrs. Dr. Hull, Miss Mary Satterlee and Miss Stella Vangorder.
