The finest confections in the market at C. S. FITCH'S.

Was WOLFE's candidacy simply a trick of the republican bosses to smash the democratic machine?

Pancakes taste strong of money—the flour being \$3.50 per hundred, wholesale, and no prospect of much decline.

JOHN HINDS, of Wysox, had six valuable sheep killed, by dogs, Wednesday night. His own dog helped to do the mischief.

Prof. DANNELLS opens his dancing classes on Thursday, Nov. 17th, with a grand reception, in Col. Means' Hall, to which complimentary tickets may be obtained of Mr. C. B. PORTER at his drug store.

The family of THOMAS WARD who resides in Albany township about three miles from this place are afflicted with diphtheria, six of the children being under the physicians' care at one time. Two deaths occurred in the family during the past week.—*Dushore Review*.

Among the business changes about to take place we learn of the following: S. F. COLT Jr., who has been in the employ of WELLES & ACKLEY at this place for some time, will remove to Laporte about January 1st, where he will engage in the mercantile business, having purchased the stock of E. V. INGHAM Esq., who has an established trade and has been doing quite an extensive business for several years at that place. E. V. INGHAM has purchased the Eaglesmere Hotel of HENRY VAN ETTE, and will hereafter conduct that popular summer resort. Mr. VAN ETTE contemplates engaging in the drug business at Hughesville Lycoming county. We regret very much that Mr. COLT leaves our town, and trust he may be very successful in his business.—*Dushore Review*.

THE NEW OIL FIELD.—As the oil field, now being operated in, is within a mile of our county line, we take an interest in publishing any special and reliable news in connection with it. So far we have kept our readers posted in the operations, which owing to lack of water to run the engine has been limited. Even the late rains have not furnished a sufficient amount of water to warrant steady boring. Everything is now in readiness, and when a full supply of water comes, the work will be carried on day and night, until petroleum is reached, if it can be found within 2000 feet. At last account they had gone down about 260 feet, everything going off in a satisfactory manner as regards the working of the machinery, &c. The enterprise has already called hundreds of visitors to see the operation. Good judges are quite confident of success, as experts claim the territory lies in the oil belt. We hope to give frequent accounts of the work as the developments take place.

BRADFORD COUNTY TEACHERS' ASSOCIATION.—The next meeting of the Bradford County Teachers' Association will be held at Monroeton, November 11th and 12th, commencing at 10 o'clock a. m. The following program of exercises will be presented:

QUESTIONS FOR GENERAL DISCUSSION.

1. What can be done to induce Directors and Patrons to give more help to teachers?
2. What suggestions have teachers to offer in regard to the County Institute?
3. What can be done to make the work of our Common schools more practical than it at present seems to be?
4. Is the practice of giving reward cards and other prizes as incentives to pupils a wise and commendable one?

5. Is any change from the present mode of examining and licensing teachers advisable?

The exercises will be interspersed with music, and by declamation or recitations by Frank Lyon, Julia S. Hawes, May Alden Hattie Vangorder, Mary Bowman, Lottie Payne, and Hallie Dodge.

The committee on entertainment, arrangements, etc., are Dr. O. H. Rockwell, L. L. Lyon, M. A. Cranmer, John Bockwell, Mrs. Daniel Huntly, Mrs. Dr. Hull, Miss Mary Satterlee and Miss Stella Vangorder.

This being the annual meeting of the Association will elect officers for the coming year. It is hoped that there will be a large turn out of teachers and friends.

E. T. BURGAN, President.
H. C. GREEN, Secretary.
