Miss Doctor **FLORA D. WOOD**, E. M. D., East Smithfield, was in Towanda yesterday.

Our former enterprising townsman, **JOHN MEREDITH**, of Canton, was shaking hands with his Towanda friends yesterday.

CHARLIE HILL, who is at present employed in the Erie R. R. office at Waverly, is down with malarial fever at his home in this place.

Our young friend, **ROBERT SATTEREE**, of Monroeton, proposes to take a course at Eastman's Commercial College, Poughkeepsie, N. Y.

THEODORE M. ARNOUT, who is now a medical student in Smithfield, was in town yesterday and paid the REVIEW office a welcome visit.

Mrs. Doctor **NICHOL**, of Edinburg, Scotland, and Mrs. **PATTERSON**, of Flint, Mich., are visiting their brother **M. F. RANSOM**, Esq., in Smithfield.

Mine host **KELLOGG** of the Elwell House, has been breathing the invigorating air of Sullivan county for the benefit of his health, for the past few days.

Mrs. **JUDD**, daughter of the late Col. **HARRY SALSBURY** of Monroeton, is the guest of Mrs. **R. R. ROCKWELL**. Mrs. J. will return to her home in Crawford county soon.

O. D. BARTLETT of Towanda was in town on Monday, and adjusted the loss of Mrs. **ABRAMS**' house which burned a short time ago. We understand that the adjustment was perfectly satisfactory to the parties interested.—*Dushore Review*.

Mr. **JAMES T. HALE**, having completed his new house on State street, now himself and wife are experiencing the bliss of "love in a cottage." The establishment is provided with rather better evidences of something more substantial in the way of adornments than the typical "cottage," as it is newly furnished throughout.

The Episcopal Mite Society will meet next Monday evening at Mrs. **LADD**'s on River st. The prospect of having a rector soon gives added interest to these social gatherings.

Ladies will be interested in knowing that Mrs. **MINGOS** is now in New York selecting more millinery goods. She will soon be home and the ladies knowing her good taste in such matters, will keep a sharp look out for her return.

The firm of **HAWES** Brothers, toy manufacturers, near Monroeton, has been dissolved, **GEORGE B. HAWES** retiring. **JAMES H. HAWES** will continue the business. **GEORGE B. HAWES** will remove to Westminster Md., where he owns a farm.

SAM. W. BUCK, a member of the Bradford county bar, has just codified the "Road Laws and Laws relating to Bradford county," and had them neatly printed and bound in stiff covers. The work should be in the hands of every township officer in the county. It is sold at the very reasonable price of 60 cents per copy, and may be found at both the book stores in this place, or at Mr. **BUCK**'s office in the Court House.

Aside from the damage to property and detention of trains, the wrecking of train 15 on Wednesday night was not serious. The accident occurred just below Wyalusing and was caused by an open switch. The train was running at full speed and the engineer did not discover the misplaced switch in time to stop his train. On leaving the track the engine was detached from the cars and was brought to a stand-still safe and sound, the engineer and fireman remaining at their posts. The baggage and express cars, one coach and the sleeper went down the embankment into the bed of the canal, but strange as it may seem, no one was seriously injured. A few of the passengers were slightly bruised, but all were able to take care of themselves.

Mr. **REUBEN BENNETT** of this place started for Waverly yesterday morning with a load of household goods, and when near Ulster his horses were frightened by a moving train of cars and ran. Mr. **BENNETT** was thrown to the ground where he was soon after discovered in an unconscious condition. He was brought home last evening and Dr. **D. S. PRATT** was summoned. The Doctor does not think him seriously hurt, though there were indications of internal injuries, the extent of which could not be determined. The horses were not damaged but the furniture was considerably demoralized.

Wm. Hersee, Esq. real estate agent No. 5, Newark street, Hoboken, New Jersey, says: I was taken with severe pains in the shoulders and right arm. After using everything I could, and seeing that instead of improving it became worse, and that my arm was beginning to become of little use to me, I determined to make one more attempt by using some of St. Jacob's Oil. Before the second bottle had been exhausted I was relieved of all my pains as if by magic. I recommend it to all.

FIVE CHILDREN AT ONE TIME!—A Lady in New England had five children sick with Chills at one time. Her pastor recommended Thermanine. She bought a family box and cured the whole lot. Children won't take quinine; its bitter taste turns their stomachs. Thermanine is put up in sugar-coated capsules, like small flat beans. Only costs 25 cents a box. It has never been known to fail, and is now prescribed by physicians instead of quinine.
