It becomes our sad duty to announce to our readers the death of the Rev. THOMAS EVANS, at the residence of one of his sons, in Litchfield township, on Sunday last, at which place the funeral will be held this morning, at eleven o'clock. He was at the time of his death one of the oldest ministers of the Methodist Episcopal church. His ministry must have lasted over half a century. He was over eighty-five years of age at the time of his death. He was known far and wide and respected as a devoted christian. He was born in the city of New York, and for a good many years he belonged to the New York conference, preaching in that city and on the adjoining circuits. He was one of the most successful revivalists in the early days of his ministry known in the church. He was always a firm believer in the efficacy of prayer, and he lived up to his profession. He died as he had lived, implicitly trusting in the merits of his Redeemer, satisfied to die, content to live.—*Weekly Review.*

LADIES BENEVOLENT ASSOCIATION.—The Ladies Benevolent Association will meet on Wednesday afternoon, November 30th, at the usual place.

The commencement of our winter's work has been delayed this year by an empty treasury and lack of material for clothing. So it has been necessary to defer our meeting until after the Thanksgiving collections, in order to ascertain whether the people of Towanda wish to continue this work of charity or not.

During the ten years of its existence this society has been generously sustained and has done an amount of good that we cannot measure; but last spring our appeal for funds was only responded to by one donation than did not come from working members of the Association; and it is feared that a misapprehension exists in regard to the need of this organization since the opening of the County House. Indeed it has been frequently remarked: "We will not need the Benevolent Society when we have the Poor House." But our object and work have not been to support paupers, only to render temporary assistance to those who are able and willing to support themselves—but who by sickness or other misfortune are placed in circumstances where a little timely aid from those more fortunate will alleviate their suffering, and give courage to some in a dark hour.

The greatest care is always used in giving aid and rarely have our visitors been imposed upon, and with such delicacy and tact have our ladies worked, that sometimes even the recipients have never known from what source the much needed help came.

Surely the people of Towanda will never allow this good work to die for the lack of funds!

"He that hath pity upon the poor lendeth unto the Lord; and that which he hath given will he pay him again." We can ask no better security; let us make the investment. By order of PRESIDENT OF ASSOCIATION.
